

THE PROPER
Trinity Medical College.

Although it is only a few years since the erection of our commodious Medical College Buildings, the attendance of students has increased so greatly year by year, as from time to time to require more ample accommodation, and large additions have been built. Very recently, the buildings were still further enlarged, so as to meet all the requirements of a thoroughly equipped Medical College.

There are in the College two equally spacious Lecture Theatres, a new Laboratory for Practical Histology, one for Practical Chemistry, and a new one for Pathology.

TRINITY MEDICAL COLLEGE, AS IS NOW WELL KNOWN, IS AN INDEPENDENT CORPORATION, ENTIRELY SEPARATE AND DISTINCT FROM EVERY OTHER. UNDER ITS OWN SPECIAL ACT OF INCORPORATION, THE COLLEGE IS EMPOWERED TO ENTER INTO AFFILIATION WITH ANY "UNIVERSITY OR UNIVERSITIES" WITH WHICH IT MAY BE DESIRABLE, IN THE INTERESTS OF THE STUDENTS, TO HAVE IT CONNECTED. THE COLLEGE THEREFORE RESTS ON THE BROADEST POSSIBLE BASIS, AND IS IN AFFILIATION WITH

Trinity University,
The University of Toronto,
Queen's University,
Victoria University,
The University of Manitoba.

Students attending Trinity Medical College have thus every advantage which ample University connections afford, under which they can, by conforming to the curriculum laid down by the several Universities named, go up for their degree, before any one, or more of these. And in addition, they can, if they desire to do so, present themselves for the "Trinity Medical College" Examinations, which are held under the provisions of the SPECIAL ACT incorporating the College. Full particulars are given on page 21 of this announcement. These Examinations are equivalent in every way to those required for University Degrees in Medicine, and if successful, the candidate will obtain the "Fellowship by Examination" diploma. This qualification is fully recognized, separately and conjointly, by the several Examining Royal Colleges of Physicians and Surgeons in Great Britain. Under its special Act, this College is represented on the College of Physicians and Surgeons of Ontario, and is therefore possessed of every privilege enjoyed by any medical teaching body in the Dominion.

The "Fellowship by Examination" diploma entitles its holders to go up before the Royal College of Surgeons and Physicians in Great
