THE EVENING TIMES-STAR, SAINT JOHN, N. B., MONDAY, APRIL 5, 1926

EASTER TIME LIMITS MEETS OF BOY SCOUTS

Lads Busy With Exams and
With Events In
Churches

2 TROOPS PREPARE
TO GIVE CONCERTS

Requirements For Second
Star Cub Badge Are
Set Forth

Owing to the Easter examinations and the curtailment of week-day activities in several of the churches for Holy Week the actual meetings of the troops and packs of the city were somewhat fewer last week than usual. This week, however, will see them in full swing again and all back at their work with renewed vigor.

Last week's activities were somewhat varied. On Monday evening the Scouts, Cubs, Guides and Brownies of St. Paul's church attended a special service which is held annually for their benefit. Ven. Archdeacon A. H. Crowfoot gave a fitting sermon which was greatly appreciated. The service was also attended by several leaders of other troops and packs of the city as well as the district leaders.

On Wednesday evening the Wolf Cubs of No. 1 Knox Pack were hosts to the 19th St. James Pack when they spent an enjoyable evening which included a supper and a fine Wolf Cub program.

Victoria street scouts will be on duty at the Armory to assist to the story telling every Saturday morning during April.

The members of No. 5 St. Jude's Troop are busy working on their April issue of "The Outlook" their monthly paper. Their first issue, which appeared in March, was completely sold out and they plan to double their circulation with the next issue. Trinity and the Young Judaea Troops are working overtime preparing for troop concert in their respective halls, Trinity's to take place on April 15, the Young Judaea's on April 12.

BADGE REQUIREMENTS.

Following are the requirements for a Second Star Cub. Before being awarded his second star, a Cub must: (a) Know the alphabet to Morse or semaphore, and be able to send and read three letters out of four correctly. (b) Know eight points of the compass. (c) Recite two verses of "God Save the King." (d) Have \$1 in the savings bank. (e) Produce a satisfactory model made entirely by himself in wood, metal, cardboard or clay; or an article knitted or netted, woven or carved, or a set of three drawings, sketches drawn by himself in colors (chalk or paint) of national flags, or medals, ribbons, or flowers, their names clearly written. (f) Clean a pair of boots; lay and light a fire and fold his clothes neatly. (g) Be able to run or cycle with a verbal message of not less than 15 words, to go by a certain route and deliver it correctly, or tidy a street or road by collecting a basket or bag of waste paper or weeds, etc. (h) Perform by himself the whole five body movements of the Boy Scouts' physical exercises and know what their objects are. (i) Know how to clean and tie up a cut finger, cover a scald or burn, and understand the danger of dirt in a scratch. (j) Have at least six months' service as a Wolf Cub.

The second star is granted by the local association on the recommendation and independent examiner approved by the local association. Uniform is as for Tenderfoot. The second star is worn in the front of the cap on the left of the Wolf Cub badge.

VICTORIA ST. BAPTIST TROOP.

Our scouts met on Monday evening at 7 o'clock in the vestry of the old Victoria street church. We are very glad to have with us District Scoutmaster O. J. Lawson, Scoutmaster E. D. Howard turned the troop over to Troop Leader Desha while he conducted some important troop business. We were busily engaged in physical exercises and troop formations by signs. After the opening ceremony in the horseshoe formation we enjoyed some games, and an excellent talk by Mr. Lawson, who spoke on religion. This proved most interesting to all. A court of honor meeting was held after the troop had dismissed.

ASSUMPTION PACK.

At a largely attended meeting on Monday night, Scoutmaster H. H. Peters presided over the Cub Scouts of the second star tests, and as two of these were sixers, who will undoubtedly prove a great help in teaching this work to the others, we feel that we are making real progress. Our No. 1 Six has now three second star Cubs, with two others about ready to pass. We are continuing to work for first and second stars, and hope when Mr. Johnson calls on his regular inspection we will be

The Real Cause Of Constipation Is A Bad Liver

Mrs. Jean Bochar, Nelson, B.C., writes: "For many years I have been troubled with my liver, and suffered terribly with constipation."

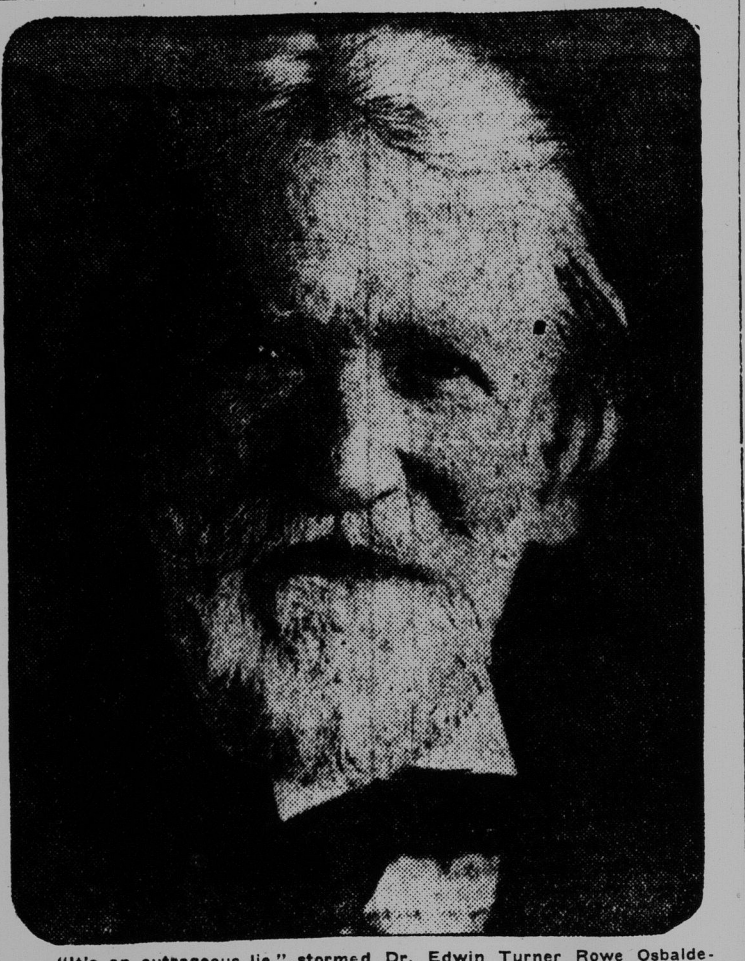

I HEARD ABOUT
**Milburn's
LAXA-LIVER
PILLS.**

and have been greatly improved since I started to take them.

I cannot recommend them too highly to say one who is troubled with their liver."

Milburn's Laxa-Liver Pills are not new and untried remedies. They have been on the market for the past 32 years; put up only by The T. Milburn Co., Limited, Toronto, Ont.

HOSSTHIEF! NO SAH!

"It's an outrageous lie," stormed Dr. Edwin Turner Rowe, Osheshton, 52, when Deputy Sheriff S. Foster Black, 91, of Binghamton, N.Y., accused him of having stolen a horse and rig and escaped from the Binghamton jail 46 years ago. "I've been all over the world, but never in Binghamton," Osheshton is a veteran of the Crimean War, Boer War, Boxer Rebellion, and fought under Garibaldi. He is the town hero of Ashbury Park, N.J., where the citizens have organized in his defense.

able to convince him that we are "doing our best." Some time is being spent each week in signalling practice and marching.

NO. 1-KNOX PACK.

This week we changed our meeting night to Wednesday to enable us to have a supper to which we invited the No. 19 St. James Pack. Pack 19 arrived at our Sunday school about 6:10 p.m. and we immediately made ourselves acquainted. After two jolly games we enjoyed a delicious supper which in the language of the Cubs, was a howling success thanks to a very efficient committee composed of the following ladies: Mrs. J. H. Crockett, Mrs. Herman Campbell, Mrs. B. M. Armstrong and the Misses D. and M. Crockett. Following the supper came an extensive program including a splendid council circle around an artificial council fire at which we sang numerous songs, listened to interesting addresses and generally enjoyed ourselves. St. James Pack was in charge of Assistant Cubmaster A. N. Peatman while Knox Pack was directed by Assistant Cubmaster Lyman G. Armstrong. Both leaders were assisted by a staff of Cub Scouts. The program was presented and assisted in the affairs of the evening. Another pleasing feature of the council circle program was the telling of the story of Sir Galahad by Mr. Johnson.

NO. 5-ST. JUDE'S TROOP.

What do you think of our "Outlook"? We made 75 copies and now these are being sent to the troops. This week the troop went to church till 8 o'clock and then spent the rest of the evening in games. More signalling with lamps and observation tests. We would like a representative of each troop to report to Secretary Johnson for the purpose of acting as a reporter for the Outlook. Send your articles to the Scout Office.

NO. 5-ST. JUDE'S PACK.

Well fellows! We opened our meeting this week with the usual ceremony and then played games for the rest of the evening. Games were in charge of Cub Instructor Scott McLennan. The assistant cubmaster took three of the advanced Cubs on signalling, at which they are doing fine. During Holy Week the members of the pack attended church services as often as possible. We hope to be able to turn out 20 full uniformed Cubs and the remainder of our pack in part uniform for the church parade. Our meeting was in charge of Assistant Cubmaster D. A. MacLennan.

YOUNG JUDAEA TROOP.

Our regular meetings are somewhat curtailed these days owing to the rehearsals for our troop play which are being held whenever possible. After much hard work we feel that we are putting on the finishing touches to this little event, and now that our Scouts are out with the tickets we are sure that we are going to give you a creditable performance when we stage our concert on April 12. Ticket sales are port a very good sale and everything looks bright for the success of the venture. Naturally your cooperation will be greatly appreciated, and we are looking forward to a real scoutly evening.

HOLY NAME SOCIETY

Branch in St. John Baptist Parish
Plans Reception and Other
Events

The Holy Name Society of St. John the Baptist church yesterday completed arrangements for the continuation of the organization program.

Next Sunday night the society will make corporate attendance at vespers when there will be the recital of the rosary and a sermon on "The Holy Name" will be delivered by a special preacher. The reception of all members, both old and new, will take place and there will be a distribution of badges. At the solemn benediction three priests will take part. Members of the Holy Name Society will assist the choir in leading the singing at the service. Following the service on Monday will mark the re-opening of the social activities of the society after the Lenten season and the arrangements for that gathering are in the hands of the entertainment committee of which E. Lowe is chairman. Other members are M. Furlong, Joseph McDermott, A. Devine, G. McDermott and P. Barrett.

Lambkins from Spain are being sold as fur.

AGENDA READY FOR MARITIME RATES PROBE

Hearing Opens At Moncton
On Tuesday Morning
At 11 O'clock

WILL LAST LIKELY
FOR SEVERAL DAYS

General Submission On Class
Rates Structure, Also
Individual Cases

THE arguments for the amelioration of freight rates as they apply to the Maritime Provinces will take place before the Board of Railway Commissioners for Canada in Moncton on Tuesday, April 6, beginning at 11 o'clock in the forenoon. The hearings of the board will be held in the City Hall and will likely last for several days. The feature argument of the numerous presentations will be the submission of the Maritime transportation rights committee relative to the all-rail class rate structure of the Maritime Provinces. This will be presented by Col. Ralston for the committee.

A. P. Paterson and F. McClure Scandlers will represent the Saint John Board of Trade at the Moncton hearing.

and there is a possibility that Premier Baxter will attend on Tuesday.

THE AGENDA.

The agenda contains a number of particular representations to be made by individual firms throughout the three provinces and is as follows: Submissions of the Maritime transportation rights committee re the all-rail class rate structure of the Maritime Provinces.

Complaint of J. Troop McClelland, Lunenburg, N. S., re alleged excessive freight rates on potatoes, carloads, Bath, N. B., to Lunenburg, N. S., C. N. R.

POTATO RATES

Submissions of the New Brunswick Potato Exchange, Limited, Woodstock, N. B., re freight rates on potatoes from the province of New Brunswick. Complaint of W. S. Loggie Co., Ltd., of Chatham, N. B., against excessive rates in effect from Shippegan and Carleton Place, N. B., to points in the provinces of Quebec and Ontario, on pickled herring, particularly on pickled herring shipped over the Canadian National Railway.

RATES ON COAL

Application of the British Empire Steel Corporation, Limited, Sydney, N. S., re freight rates on explosives, from Beloeil, Que., to Sydney, N. S., as well as the rates on coal, coke and iron. Submissions of the British Empire Steel Corporation, Limited, Sydney, N. S., re freight rates on grain and flour, coal, coke and iron and steel products.

OTHER COMMODITIES

Submissions of the British Empire Steel Corporation, Limited, Sydney, N. S., re freight rates on explosives, from Beloeil, Que., to Sydney, N. S., as well as the rates on coal, coke and iron. Submissions of the British Empire Steel Corporation, Limited, Sydney, N. S., re freight rates on grain and flour, coal, coke and iron and steel products.

Letters to the Editor

(Will correspondents favoring the Evening Times-Star with letters on matters of public interest please note that it is necessary to append name and address for publication? The shorter communications are given the right of reply.)

HELP THE GOOD CAUSE.

To the Editor of The Evening Times-Star:

Sir,—In the course of the next few days there will be a distribution of boxes throughout the city for the benefit of the Hospital Committee. Many of the other branches in the province have already received and given out their quota, and have sent in encouraging reports of their reception. I may briefly explain why this scheme is necessary. The Dominion Central Committee makes a grant to carry on the Home Nursing and Junior Red Cross work (for the present year it amounts to \$2,000), but for no other purpose. It is only right that we should bear in mind that New Brunswick has been treated far more generously in this respect than any other province. Some of the others finance their own work, and ask for no assistance, but we, at the end of 1925, will have received \$25,000 more than our contributions during the war. We remitted \$45,000, and will have had in grants \$21,000. The percentage returned to us is far more than double that of any other province. But for the expense of the provincial office, and the care of the soldiers in our two hospitals, we have to rely on our own efforts.

The appeal through the boxes will, it is hoped, meet with a generous response, for surely it is our plain duty to remember those who were willing to give their all during the war, and to do all we can for them. At the present time there are 123 in the two hospitals, more or less permanently injured, all of whom are frequently visited by members of the Hospital Committee, whose delight it is to be the means of supplying sundry small comforts and necessities. The boxes are to be returned on Armistice Day, and it is expected that at least a cent a day for the whole year will be enclosed in each. The limit of

course, need not necessarily be confined to that small amount.

Yours truly,

F. T. SHORT,
President New Brunswick
Division, Canadian Red
Cross Society,
Saint John, April 1, 1926.

MR. ARMSTRONG'S MAYORALTY WITHDRAWAL.

To the Editor of The Times-Star:

Sir,—I would like, with your consent, to extend my hearty thanks to the many leading citizens, steamship agents, merchants, etc., who signed my nomination papers so promptly and willingly, and to inform them that upon being advised that a former Mayor of a progressive type, Dr. White, was likely to become a candidate, I deemed it my duty to interview him, to get his points of view respecting the advancement of the city, and to learn from him whether he had fixed upon being a Mayoralty candidate. He manifested a kindly spirit toward me and informed me that he would enter the Mayoralty field again. This information impressed upon me that it was my duty to withdraw from the coming election, and to continue whatever other efforts were at my disposal for the promotion of this port and city.

The needs of this community are numerous and they should receive close consideration from all elected candidates. These needs include pressure of our Maritime rights; enlargement of ocean piers; extension of Negropolis breakwater; expansion of Pierage Island's electric power to strengthen the eastern channel buoy at all times for the protection of steamers entering the port; improvement of Union railway station and train buildings; completion of the C. N. R.'s pierage system; the betterment of our ferry system; our river berths and highway systems to Kenora to the Red Lake mining field and pointed to the efforts being made to divert the traffic to Winnipeg.

He urged the civic authorities to see that a railway was built from Kenora to the Red Lake mining field and pointed to the efforts being made to divert the traffic to Winnipeg.

A drink was once considered good for a cold. Now a cold is considered good for a drink.

Canada Will Help International Bridge

KENORA, Ont., April 5.—Peter

Heenan, Federal member for the constituency of Kenora-Rainy River, addressing a public meeting here said he had it "in black and white" that the Federal Government would pay Canada's share, estimated at \$400,000, for the construction of the proposed international bridge, to connect the town of Rainy River with Spooner, Minn.

He urged the civic authorities to see that a railway was built from Kenora to the Red Lake mining field and pointed to the efforts being made to divert the traffic to Winnipeg.

A drink was once considered good for a cold. Now a cold is considered good for a drink.

How to get the most out of LUX (Don't Forget the Tablespoon)

TO know Lux at its best is to know the Lux way of keeping house—in other words, the easiest and most satisfactory and most economical way.

To get the most out of Lux is to follow the simple directions and measure Lux with a tablespoon.

If you do this you can use Lux economically for the whole household wash, because a little Lux goes a long way. To wash everything in Lux is to keep the household linens, cottons and woollens sweet, clean and always at their best. Silks, chiffons, laces and crepes will come through the wash bright and new-looking again and again.

And the daintiest, filmiest fabrics are always safe with Lux because it is nothing but the purest, most efficient soap in the world.

Use LUX with all Confidence
It is as safe as water

LEVER BROTHERS LIMITED
TORONTO
