FIRE SALE  
—OF—  
GLENWOOD RANGES

At Prices Below Manufacturers' Cost

We are offering for sale the entire stock of GLENWOOD Ranges from the GLENWOOD Foundry recently destroyed by fire.

These ranges are all in first class condition, having been refitted, re-nickled, and are actually in as good a condition as any GLENWOOD Ranges we have ever had on our floor.

Most of them were only slightly damaged by water.

This is a rare opportunity to secure a high class range at an exceptionally low price.

As we have only a limited number of these ranges to offer we would suggest that those desiring a new range to make their selection early, while the assortment is complete.

We have also all repair parts for the GLENWOOD Ranges, such as Linings, Grates, Water-fronts, centers, etc., which can be supplied at any time.
