FREDDIE KEIRSTEAD'S CASE

His Logs, from His Foot to His Body Entirely Raw, and Ran a Blood-Tinged Irritating Water.

THE CURE B. B. B. MADE IN HIS CASE WAS PERMANENT. IN EIGHT YEARS THERE HAS BEEN NO RETURN

OF THE DISEASE.

The cases being pub-lished from time to time showing how thorough and permanent are the cures made by this remedy, are making the sick and afficted con-

perhaps not even that

—when a few bottles
of B. B. Will do all
that any medicine can
do in giving temporary
relief, and besides, will
make a cure so permanent that there
will be no return of the trouble.
In the severest forms of skin diseases,
Salt Rheum or Eczema, Tetter, Shingles,
Ring Worm, B. B. B. applied externally
and taken internally will take out the
burning and itching, give prompt relief,
and make a permanent cure.

It was so in the case of Freddie Keirstead of Snider Mt., N.B.

He had one of the most aggravated
cases of Salt Rheum ever known.

B. B. B. cured him so thoroughly that
after eight years the disease has

to give B. B. a trial.

"You can imagine with what delight and gratitude we saw our boy entirely cured after using one bottle and part of the second. We gave him the remainder of the second bottle, and fron that time till the present he has never had a sign of salt rheum or a sick day. You need sot wonder that I think there is no other medicine can equal Burdock Blood Bitters to purify the blood and build up the health and strength.
