Suffered From Severe Headaches FOR TWO YEARS

Headaches are many and varying but when the head starts to ache you may be sure there is some chief cause. The stomach may go wrong, the bowels be constipated, the blood may not circulate properly, but the presence of the headache clearly shows that unless the cause is removed some other beneficial disease is liable to assert itself.

Burdock Blood Bitters has, for the last forty years, been curing all kinds of headaches and has proved itself to be a remedy that cures where others fail.

Mr. J. N. Petersen, Dileper, Man., writes: "I am only too glad to be able to state that I derive wonderful benefit from Burdock Blood Bitters. I suffered from severe headaches for two years. I was treated by several doctors, but received no benefit until by chance I heard of B.B.B., and I at once procured two bottles and in a short time I was completely cured. I am, and always will be, grateful for what Burdock Blood Bitters has done for me. I am glad to recommend it to all who suffer from headaches."

B.B.B. is the oldest and best known blood medicine on the market today, having been manufactured for the past forty years by The T. Milburn Co., Limited, Toronto, Ont.

SIXTY TOOK PART

At a meeting in Victoria street Baptist church last evening in connection with the city-wide mission, the vestry was filled and sixty persons took part in the service. In addition two persons were asked for the prayers of the people in their behalf.

SALE CONTINUED.

The Ladies' Aid of St. Andrew's church held a most successful tea and sale yesterday afternoon at the home of Mrs. B. R. Macaulay, Mecklenburg street, from 2:30 until 9 o'clock. Much of the material was not disposed of, so it was decided to continue the sale. Mrs. R. H. Chipman, Mrs. George McA. Bissart and Mrs. Percy Howard were in charge of the candy table. Mrs. C. B. Allen, Mrs. Tomtoway and Mrs. F. H. White presided at the home cooking table. Mrs. Alex. Macaulay and Mrs. Frank Rankine poured. Mrs. John B. Magee was convener and young ladies of the Ladies' Aid Society waited on the tables.

WHARVES NEED REPAIRS.

Preliminary examination of some of the West Side city wharves has been made by William Murdoch, city engineer. Among recommendations to be submitted to the common council, will be one for the construction of bracing for the under foundation of pier No. 1, and several others along the waterfront. According to the officials of the Eastern Steamship Corporation, their wharf has settled some two feet at the outer edge.

PROPOSED CITY FARM.

A scheme whereby some of the vacant lots on the outskirts of the city could be put under cultivation by the prisoners in the county jail has been suggested by a citizen, and heartily endorsed by Chief of Police Simpson. A large plot could be tilled and sowed by men who were formerly of the chain gang.

CARD OF THANKS

The Conservation Committee of the Red Cross wish to thank all those who helped them on Rubber Day, Mr. Warren and the Boy Scouts for doing so well, collecting the many friends who lent their teams and cars, those who allowed their buildings to be used as depots, the Valcartier Chapter of the L.O.E.D., and last, but not least, Mr. John McAvilly for the splendid luncheon he provided for the Boy Scouts. And the committee also wish to thank the drivers of the teams and cars, for they and the Boy Scouts deserve a great deal of credit in doing the work in spite of the very bad weather.

Suffer With Heart For Ten Years Would Nearly Smother

There is nothing that brings with it such fear of impending death as to wake up in the night with that awful sense of smothering. The uncertain and irregular heart action causes the greatest distress of both mind and body. Milburn's Heart and Nerve Pills are the only remedy that gives prompt relief and effect a complete cure in cases of such severity.

They strengthen and invigorate the heart, so that it beats strong and regular, and tone up the nervous system so that the cause of so much anxiety becomes a thing of the past.

Mrs. M. O. McCready, Wapella, dash writes: "I am not much of a believer in medicines, but I feel that it is only right for me to let you know what your wonderful remedy has done for me, and in a very short time, too. I had suffered terribly with my heart for nearly ten years, could scarcely do any work, and would nearly smother at times. I had many remedies, some only relieving me for a time. I got a box of Milburn's Heart and Nerve Pills and felt so much better that I kept on using them, and can truthfully say I feel like a new woman."

"I would advise anyone with heart trouble to use them."

Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.35, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Frederic, N.B.

TO CHANGE SHIPPING BASE?

According to George M. Drew, engineer for the Pejepscot Paper Company, who was in the city last night, plans are now being considered for transferring the shipping base of the company from the Bay of Fundy to Belfast, Maine. It is supposed that the broadening of the pulp and paper industry in the Pine Tree State is largely responsible for the proposed change. Definite announcement will not be made, however, for another two or three weeks.
