§ 4. EXAMINATIONS.

COLLEGE EXAMINATIONS.

There are two examinations in each year; one at Christmas, and the other at the end of the Session. In both of these, Students will be arranged according to their answering, as 1st Class, 2nd Class, and 3rd Class.

Students who fail in the Christmas Examination may be allowed a Supplemental Examination, on written application to the Faculty, stating satisfactory reasons.

Failure in two or more subjects at the Sessional Examination will involve the loss of the Session. The Faculty may permit the Student to recover his standing by passing a Supplemental Examination at the beginning of the ensuing Session. But such permission will not be granted except in cases of sickness, or for other special reasons. For the purposes of this regulation, Classics, and Mathematics with Physics, will each be regarded as two subjects.

The time for the Supplemental Examinations will be fixed by the Faculty; and such Examinations will not be granted at any other time, except by special permission of the Faculty, and on payment of a fee of \$5.
