Stratford Carriage Factory.

ALTHOUGH we do not profess to make any amount of cutters, bobs &c., yet we positively say we have on hand the largest and best made stock of CUTTERS and SLEIGHS in Stratford, and will sell them the cheapest in the county; also, a large stock of first-class carriage material to make up for the coming summer. Second-hand work dealt in. Trimming, painting, and repairing promptly attended to. Call and examine our prices and stock before buying elsewhere.
