ONE THOUSAND METRE  
UNIVERSAL TRANSVERSE MERCATOR GRID

| GRID ZONE DESIGNATION | 100,000 M. SQUARE IDENTIFICATION |
|-----------------------|----------------------------------|
| 18 U                  | DK 07                            |

| EXAMPLE OF METHOD USED TO GIVE A REFERENCE TO NEAREST 100 METRES                     |                                                                                                                       |
|--------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| THE FOLLOWING GRID REFERENCE IS A SIMPLE ONE AND DOES NOT REFER TO POINT ON THIS MAP |                                                                                                                       |
| REFERENCE POINT                                                                      | CHURCH (as above)                                                                                                     |
| EASTING                                                                              | Read number on grid line immediately to left of point<br>Estimate tenths of a square from this line eastward to point |
| NORTHING                                                                             | Read number on grid line immediately below point<br>Estimate tenths of a square from this line northward to point     |
| EXAMPLE MILITARY GRID REFERENCE                                                      | 975884                                                                                                                |

ZONE 16

Produced 1965, by the SURVEYS AND MAPPING BRANCH,  
DEPARTMENT OF ENERGY, MINES AND RESOURCES,  
from aerial photographs taken in 1962-63. Field survey 1959 and 1962.  
Caption check 1966. Printed 1967.  
Copies may be obtained from the Map Distribution Office,  
Department of Energy, Mines and Resources, Ottawa.

| Roads:                                   | Routes: | more than 2 lanes         | 2 lanes          |
|------------------------------------------|---------|---------------------------|------------------|
| hard surface, all weather                | .....   | plus de 2 voies           | 2 voies          |
| hard surface, all weather                | .....   | moins de 2 lanes          | moins de 2 voies |
| loose or stabilized surface, all weather | .....   | 2 lanes or more           | plus de 2 lanes  |
| loose surface, dry weather               | .....   | de gravier, période sèche | moins de 2 voies |
| cart track                               | .....   | de terre                  | moins de 2 voies |
| trail or portage                         | .....   | sentier ou portage        |                  |

ROSSPORT  
THUNDER BAY DISTRICT  
ONTARIO  
SCALE 1:50,000 ÉCHELLE

CONTOUR INTERVAL 50 FEET  
Elevations in feet above Mean Sea Level  
North American Datum 1927  
Projection Transverse de Mercator

Some names on this map are not yet official.  
Corrections or additions are invited by the  
Survey and Mapping Branch.

This Provisional Map is equivalent to a standard  
map in accuracy of content.

ÉQUIVALENCES DES COURBES 50 PIEDS  
Élevations en pieds au-dessus du niveau moyen de la mer  
Niveau de référence nord-américain 1927  
Projection transversale de Mercator

Certains noms inscrits sur cette carte ne sont  
pas encore officiels. La Direction des levés et  
de la cartographie saurait gracieusement de lui  
signaler corrections et additions.

Cette carte provisoire est l'équivalente d'une  
carte régulière au point de vue précision de  
l'information.

Établi en 1965, par la DIRECTION DES LEVÉS ET DE LA CARTOGRAPHIE,  
MINISTÈRE DE L'ÉNERGIE, DES MINES ET DES RESSOURCES, d'après des  
photographies aériennes prises en 1962-63. Levés sur le terrain en 1962 et 1967.  
Vérification des courbes en 1966. Imprimé en 1967.  
Ce carton peut être obtenu au Bureau de distribution des cartes,  
ministère de l'Énergie, des Mines et des Ressources, Ottawa.
