and exclaimed. Why, don't you see? It's as plain as A B C! That may be, said the other you see, I am D E F.

The opinions of the London Spectar are always worthy of consideraon and we have been able to agree CRUEL MURDERS.

with much of what it has had to say The Anarchist is Vain, Hopeful and Cow-ardly—After Blood, ite Has An Inordi-nate traving for Publicity.

him at Geneva, and none can say whe-ther he's dead or buried alive. concerning the present crisis in China. Its views are usually based on historical knowledge, which is more The assassination of King Humbert than can be affirmed of many current commentaries. We are unable to accept, however, the "Forecast for China" printed in its issue of July which are here appended.

The assassination of King Humbert of Italy makes of timely interest an article in Blackwood's Magazine on The Real Anarchist, extracts from which are here appended. China" printed in its issue of July which are here appended.

21, because the solution of the prob
"The anarchist is a ruffian of feeble imbecile citizens of the Terror, we 21, because the solution of the com-lem therein advocated is not com-brain and weak inclination, who is might never have heard of the assass-

Spectator maintains that the only mode of averting a repetition of the outrages perpetrated at Pekin is to partition the coastwise provinces of China among the civilized Powers. It takes this position because it does takes this position because it does the fondly construes into a general section of the country of the country of the civilized Powers. It generally wins for him the credit of amiability. So the discontent which the fondly construes into a general section of the highest virtue. The Revolution it was that first discovered the grandeur of cowardice, that first saw in the severed head of a girl the symbol of freedom and patriotism. The country which still insists that the Revolution as the highest virtue. The Revolution it was that first discovered the grandeur of cowardice, that first saw in the severed head of a girl the symbol of freedom and patriotism. The country which still insists that the Revolution as the highest virtue. The Revolution is the severed head of a girl the symbol of freedom and patriotism. not believe that the Chinese Empire he fondly construes into a general lution must be taken en bloc as a re-"not believe that the Chinese Empire can be conquered as a whole or governed as a whole by Europe acting as a syndicate, whether the effort is made through an international concil, or through a nominal Emperor who should be guided by a council of Ambassadors." That is true. Such a syndicate would not long hold together, and an Emperor known to be the mere mounthpiece of foreign Envoys would soon cease to exercise authority over his nominal subjects.

he fondly construes into a general love of the human race, drives the analytic and the human race, drives the analytic and the subject is a general love of the human race, drives the analytic and the world can hardly be surprised if her citizens and her pupils have learned the use of dynamite and the knife. Assassins there were, of course, before the black year, 1789, but they were no better than sporadic imbeciles, and neither Fenton nor Bellingham struck with the weight of a misguided movement behind them. No; the anarchist is a brief century old, and already it is time that he should crawl away to death, for the world can hardly be surprised if her citizens and her pupils have learned the use of dynamite and the knife. Assassins there were, of course, before the black year, 1789, but they were no better than sporadic imbeciles, and neither Fenton nor Bellingham struck with the weight of a misguided movement behind them. No; the anarchist is a brief century old, and already it is time that he should crawl away to death,

The Spectator is wrong in assumif; but he can imagine no method and be no more known. ing that it has made an exhaustive of changing a system which appears numeration of the courses that may irksome save the death of an innocent he pursued after the capture of Pe-kin. There are several other methods derstand the rules of society's game; The international association, which of dealing with China besides those he is like a man who would be taken now devises murder in secret, and puts which the Spectator designates, and for a gentleman, and yet cheats at to death its disobedient members, any one of them, is better than to cards. So he rushes into the street, which has already had disastrous confinds heroism in a lupine brutality.

How the cards are described in the street, has passed its zenith of brutality. The activity of the police, and the dying the involve process by argueing the involve process. The cards are death its disobedient members, has passed its zenith of brutality. The activity of the police, and the dying zeal of the agitators, have doubled wide, 5 yards sequences by arousing the innate pa- Hence at follows that he is of a san- its risk and halved its ingenuity.
