LOCAL NEWS

Members of D. Co., 8th Regiment, are requested to be on parade at 7:30 Friday.

The suspension bridge will be closed to traffic from six o'clock this evening until six tomorrow morning.

That new suit of medium light tan, grey or brown wanted is just the thing for spring and summer wear. Pidgeon's North End store gives you more quality for the money than any house in St. John.

Mr. Joseph Selman, manager of the Belman Stock Co., is in the city today arranging for the appearance of his company here during the week commencing July 6th. Mr. Selman last season was leading man with Miss Minnie Dupree, in the Road to Yesterday.

There was a burn in the main water pipe on Winter street in front of the school about eleven o'clock; also a break in the service pipe in the house of Mrs. French, on the same street. Considerable damage was done to bedding, etc. by the flowing water.

In a letter received by Mayor Bullock from President Stevens of the Montreal Harbor Commission, Mr. Stevens said that St. John had the best views of the Montreal board in the efforts being made to improve the port. He said that the trade of Canada was becoming too great for one port, and the sooner St. John was equipped to enable it to handle its full share of the traffic the better it would be for the whole country.

The closing exercises of the New Brunswick School for the Deaf will be held on Thursday at 3 p. m. at the school. No special programme has been arranged but there will be an exhibition of work by the pupils, explanations by teachers, and other features of interest. In previous years invitations have been sent out by the board of management. This plan is not now being followed, but through the press the board extend a hearty invitation to all to visit the school and see for themselves what is being done.

LOOKING FOR TRACES OF HIS LOST GIRL

Moncton Girl Visiting in St. John Starts Out to Return Home But Has Not Arrived There.

A French-Canadian girl from Moncton, whose daughter has disappeared, is in the city searching for traces of the missing girl. The man whose name is John Elish, tells in a heart-broken manner of the disappearance of his daughter, Gertrude, who is only sixteen years old.

"You see, she was my only girl, and she lonely in Moncton. She wanted to go somewhere for visit. I have fellow staying with me on my place, and he has sister on St. John. I say to those fellow you write your sister ask her can my little gal go with her for one week." She write back you and my little gal she very glad. So I buy her return ticket, cost four and a quarter, two new dresses, new pair of shoes and give her four dollars to buy from her. She go out and lots of jewelry, diamond rings and other things like that and she go to St. John. Last Saturday night I get a telegram from her. "I will come home on Monday morning." On Monday I met first train, she no come, two train, she no come, three train she no come.

"Then I go home and tell those fellow what stay at my house you call your sister in St. John and see why my gal no come home."

"He come home and say: 'Gottami! what do you think; she left my sister place at quarter past six.'"

"No, I don't know what to do. I telegram to police at St. John, they send back same answer, so I come to St. John to find out where she gone."

Mr. Elish has asked the local police to look out for the girl for him. The address of the friends with whom the girl was staying was given as Moses Geis, 33 Chapel street. No such name or number appears on the directory, however. The father says that he has suspicions that a Moncton man, whom he had caught with the girl several times might know something of her whereabouts.

WANTS HEAVY LICENSE FROM PENNY ARCADE

An application was made to Mayor Bullock this morning for permission to establish a penny arcade in the city by a representative of the concern which is now running an arcade in Halifax.

The mayor asked for the maximum license fee of two hundred dollars. He took this stand owing to the fact that the question of taxes on amusement enterprises is now being discussed by the board. He had taken the same course with Cole Bros' circus, although in the past only seventy-five dollars had been collected from any circus.

The applicant said he had several sites in view for his arcade, and would consider whether he would pay the tax and start business.

The arcade would be an open fronted store, lined with various penny-in-the-slot machines, showing moving pictures, and other devices.

TOO LATE FOR CLASSIFICATION.

FOUR SPECIAL TRAINS FOR CAMP SUSSEX

Large Numbers of Militiamen Passed Through the City This Forenoon.

Special trains with soldiers for Camp Sussex kept the depot officers busy this morning. Three specials arrived over the C. P. R. lines, bringing contingents from various parts.

Another special was made up at St. John, and left during the morning with the local Army Medical Corps under command of Dr. T. D. Walker. This train will pick up detachments at the different stations between here and Sussex.

Two companies of the 1st Regiment arrived on the C. P. R. express and went through on the regular train. On this train also were Col. J. D. Chipman and other officers from St. Stephen.

SUSSEX, N. B., June 23—The town is beginning to assume that military aspect that it wears during the fortnight camp is in progress. The first corps to reach camp today was the 78th Regiment, which arrived by L. C. R. at 7 a. m., under command of Lt. Col. J. D. B. Mackenzie; C. Company 71st Regiment, accompanied the 78th. At 10:30 this morning No. 1 Company, the advance engineers, and 8th Regiment reached camp; Major Perkins commanded 6th marching in, and Major Melvin the Engineers. Shortly after noon the 10th Woodstock, F. B. Major Good, in command, arrived in Sussex. Two companies of the 74th Regiment came in at 7, the usual time. The soldiers in general report long and tedious railway journeys, some of the companies were on the way since last evening. Real work of the camp will not begin until tomorrow.

BANK WANTS TO GET RID OF STOLEN MONEY

Nova Scotia Branch Anxious to Have the Court Take Charge of Deposit Sent by "Oscar Wilde."

This afternoon in the Equity Court Chambers before Mr. Justice Barker, H. A. Powell read the petition for the branch of the Nova Scotia bank at Fredericton, praying that it might be permitted to pay into court the sum of \$1,666.

In June, 1907, Manager Manning received a letter overwritten and signed "Oscar Wilde," the name also typewritten, requesting the bank to accept the stated sum from the Dominion Express Company and to pay it in certain portions to six or seven different banks in the State of Washington, bank charges for same being allowed. The letter received by Manager Manning was dated at Montreal. Subsequently the bank was telegraphed that a man who was known as "Oscar Wilde," and under several other names had been wanted by the police at Washington for obtaining money under false pretences. Wilde was arrested, convicted and sentenced to five years in the State penitentiary in the State of Washington, where he is at present.

The Nova Scotia bank believes the money they have in their possession to be stolen property and as the difference between the money and the difference requested payment the petition was read as already mentioned.

The proceedings were taken under the trustees act and the judge ordered that the money be deposited with the court, the banks notified and also "Oscar Wilde."

In the Circuit Court to-day argument of counsel was heard in the case of Gibson vs. McGrath and His Honor Mr. Justice White addressed the jury.

WANT LOCAL MEMBERS TO PROMISE CO-OPERATION

St. John Members of Provincial Government Will be Invited to Discuss Courtesy Bay Borings Tonight.

The harbor facilities committee will meet this evening and will continue their work of preparing the harbor commission act to submit to the Commission Council.

The St. John representatives in the provincial government will be asked to be present to discuss the share the province will bear of the cost of the Courtesy Bay borings. It is the feeling of the harbor committee that the work should be commenced as soon as possible and they do not wish to wait until after the next meeting of the government. If the members present tonight will give any reasonable assurance of their co-operation, it is likely that the work will be started at once.
