## The Correct Clothes At "Correct" Prices

A business-like business suit, a frock coat or Prince Albert, or an evening dress suit, should be "correct" in fit, form and fashion—and it costs you no more to get such a suit than one that transgresses the rules of good taste and current style.

Modish suits for Easter wear—business and semi-dress suits for all the year—Prince Albert and evening dress suits for special occasions—and overcoats that are in keeping with the suits.

Our moderate prices of \$10 to \$35 are hardly in harmony with the high character of our clothing. But low prices and good business values have always been among the chief tenets of our business creed.

See our NEW styles—on hangers, in dust proof cabinets, all ready to try on.

## LOCAL NEWS

Clay's A. Gudgeon is the only child so far identified in the Nickel's last snapshot contest. She lives at 29 Paradise Row.

Expensively conducted stores are obliged to ask bigger profits than an economically conducted store like C. B. Pidgeon's, at the corner of Main and Bridge streets. Rentals are lower here than down town and it is to your advantage.

In claims this morning before His Honor Judge Forbes, M. G. Todd, K. C., appeared in support of an application to sign summary judgment in the case of Edgett vs. Brew. The action is on a bill of exchange and is brought in the Westminster County Court. His Honor adjourned the hearing till 27th instant, at Moncton. R. A. Irving opposed the application.

Negotiations are progressing for the establishment of the plant in Calais for the manufacture of fibre boards from the waste materials of the sulphite paper mills of New Brunswick and Maine. The proposed capital is \$100,000 and the factory would employ about thirty men. W. F. Todd, M. P., is at the head of the proposal and expects that negotiations will soon be completed.—Courier.

Andrew McGee, Herbert McLean and George Chubb, of Back Bay, and three members of the firm of McNichol Bros., of Bathurst, were in town Monday in the interests of the proposed sardine factory at Back Bay which they hope to have established in the season. If erected it will mean the distribution in that neighborhood of about 40,000 and the employment of one hundred hands.—Courier.

Cyril T. Hanson, of Fairville, who went to Fredericton Junction yesterday morning, met with great success in organizing a Junior Temple of Honor and Temples were in the process of being organized in the town. He also says that it will be a big lodge, and the boys of Fredericton Junction are working hard to see how many members they can get, so as to try to be the banner section of the domain.

At the last regular meeting of Maple Rebekah Lodge, No. 31, I. O. O. F., a large number of applications were received for, and on Tuesday evening, April 15th, a large number of new members were initiated into the lodge. The lodge is now in a flourishing condition, and the members are working hard to see how many members they can get, so as to try to be the banner section of the domain.

In the probate court, on Monday, before Judge McIntyre, the estate of the late Ora P. King was probated. The estate is valued at \$2,200. The Hamilton estate dispute has been arranged satisfactorily. On Wednesday counsel for the interested parties, after conference, practically reached an understanding, although another hearing was fixed for May. It is understood that the property will be sold and a friendly suit in equity will be carried on in the interests of the infant daughter of the late George Hamilton, in order to secure title.—Star Record.

## POLICE COURT.

In the police court this morning several cases were heard before Magistrate Ritchie.

John Kilfoil confronted the allegation of being drunk on Main street, and was also charged with resisting the police. The prisoner pleaded guilty to the first charge, but could not remember the resistance.

Officer Nelson testified that Kilfoil was arrested on Main street, and creating a disturbance by kicking and holding until he reached the station. Kilfoil's name appears on the indictment list, and His Honor informed the officer to make enquiries as to the saloon in which the man received the liquor.

To the court Kilfoil declared he did not know this man appeared on the indictment roll. For the past year he had been a total abstainer. However, yesterday he imbibed too freely resulting in his arrest. The prisoner was remanded until further enquiries are available.

Fred Bedard was charged with fighting on the C. P. R. train at the Union Depot between 6 and 7 o'clock last evening. He pleaded guilty to the charge. Bedard declared that he reached the city on the C. P. R. steamship Montcalm and was proceeding back to Montreal. Officer Scovil Smith stated the prisoner created a lively commotion on the train. He was arrested and taken to the central station.

His Honor informed the prisoner that he could not disregard the law and imposed a penalty of \$20 or two months in jail with hard labor.

A common drunk was fined \$4 or ten days in jail.

John McDonnell was charged with vagrancy. The man presented a deplorable appearance, and declared he had no fixed abode. The court warned him that he was subject to a heavy penalty and allowed him to depart. The Municipal Home authorities will probably take action in his case.

Fred Bonnell, who was remanded since March 2 on the charge of intimidating girls on the West Side, was brought into court and further remanded.

NEW YORK, April 2.—Wall Street.—The opening movement of prices was irregular and within a narrow range in spite of the animation of the dealings. Union Pacific opened at an advance of 1/4 and then ran off. Amal, Copper and N. Y. C. lost large fractions.

## AN UNBREAKABLE SET OF TEETH

There is a class of patients who do not object to paying a fair price for artificial teeth. If they can really secure comfort, usefulness and naturalness.

I have a set of teeth, such as is obtainable in any other office in this city, to my knowledge. It is out of the ordinary line and unlike the teeth in general use. Its beauty is at once apparent and it is practically unbreakable.

It will pay those who are desirous of obtaining the best to be had in the dental line to call and inspect this for themselves. I will gladly demonstrate its superiority over other plates, even if you have no immediate intention of investing.
