BURDOCK **BLOOD BITTERS**

This remedy will drive out all the impuri-ties from the blood and leave the comties from the blood and leave the complexion healthy and clear.

Miss Annie Tobin, Madoc, Ont., writes:

"I take great pleasure in recommending your Burdeck Blood Bitters to any one who may be troubled with pimples on the face. I paid out money to doctors, but could not get cured, and was almost discouraged, and despaired of ever getting rid of them. I thought I would give B.B.B. a trial, so got two bottles, and before I had taken them I was completely cured and have had no sign of pimples since."

Burdock Blood Bitters has been manufactured by The T. Milburn Co., Limited, for over 30 years, and has cured thousands in that time. Do not accept a substitute which unscrupulous dealers say is "just as good." "It can't be."
