CABANO

Soirées

Jeu et dimanche dernier, M. le curé Cyr a fait à ses paroissiens le grand plaisir de leur raconter en détail son récent voyage par delà les mers. Durant de longues heures qu'il leur ont paru bien courtes, il les a entretenus des divers pays d'Europe qu'il a visités, de la Terre Sainte et un peu de l'Égypte. Qui a déjà eu l'avantage d'entendre parler M. l'abbé Cyr sait qu'il ne pouvait manquer d'intéresser son nombreux auditoire. Aussi la salle était-elle aussi remplie le second soir que le premier, preuve évidente du plaisir réel que chacun avait éprouvé à l'écouter le jeudi.

M. et Mme Florentin Préquet ont reçu au cours de la semaine dernière à l'occasion du mariage de leur neveu M. Arsène Pelletier.

Les travaux avancent rapidement à la magnifique résidence qu'est se construire M. George Bérubé, industriel. Avant longtemps M. Bérubé pourra occuper cette nouvelle bâtisse qui sera certainement une des plus belles de Cabano.

M. Alcide Ouellet, peintre, qui vient de faire l'acquisition de la résidence de M. Xavier Guérette, est à faire des améliorations à sa bâtisse.

—Les travaux de réparations de la scierie Fraser sont terminés et nos ouvriers ont été heureux de pouvoir retourner à leur travail lundi.

—M. Henry Morisson et son fils sont partis ces jours derniers pour aller travailler à St-Joseph d'Alma.

—M. et Mme Arthur Gagnon sont de retour d'un long voyage au Nouveau Brunswick.

—Le Dr L. Albert de Ledges, N.-B., était en visite chez M. Geo. Bérubé lundi dernier.

—Mme Edmond Bourgeault d'Edmundston a passé le dimanche ici chez son beau-frère M. J.-C. Pelletier.

—M. Léon-Albert Michaud et Léon Ouellet ont été absent deux jours à Presqu'Isle, Me., chez des amis.

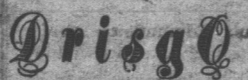

—Mlle Odile Lavoie de Neuville, était dernièrement l'hôte de la famille J.-M. Bélanger.

—M. W. Lebel, gérant du magasin Fraser, était en voyage d'affaires à Rivière du Loup la semaine dernière.

—Mlle Lucienne Robitaille est depuis trois semaines en promenade chez des amis à Lauzon.

—Dr E. Latulippe et M. Pierre Morin sont allés en voyage d'affaires à Edmundston dernièrement.

—M. A. Brodeur de Montréal était en visite dimanche chez Mlle Régina Deschêne de l'Hôtel Cabano.

UNE INVENTION DANS L'IMPRIMERIE

Deux Anglais auraient trouvé le moyen de substituer à l'imprimerie, avec des caractères métalliques un nouveau procédé qui supprimerait les casses à caractères, et les linotypes en usage actuellement.

L'invention consiste en des pellicules photographiques reproduisant les lettres, les chiffres, les signes de ponctuation et remplaçant les caractères correspondants. Elle transformerait de fond en comble le système d'imprimerie en usage de nos jours.

Les ateliers de typographie seraient de dimensions très réduites et les frais d'impressions diminueraient dans des proportions considérables.

La nouvelle invention a quelque analogie avec la machine à écrire. Employée avec le concours de la télégraphie sans fil et actionnée à Londres, par exemple, elle permettrait de composer des textes simultanément à Paris et à Edimbourg.

Ce qui veut dire que lorsque l'invention aura passé dans le domaine pratique, nous pourrions transmettre vos commandes d'impressions par cablogramme aux imprimeurs d'Angleterre ou de France qui exécuteront vos travaux dans nos propres ateliers par télégraphie sans fil. Ce sera le dernier choc!

MAIS EN ATTENDANT

Nous continuerons, comme par le passé, à faire tous les travaux d'imprimerie que voudront bien nous confier nos amis, avec tout le soin et la promptitude que l'on se plaît à nous reconnaître.
