NEWS AND COMMENT FROM THE FINANCIAL WORLD

QUOTATIONS IN THE

Of several changes in the prices of commodities during the week the most noticeable is a reduction in the price of sugar, standard being quoted yesterday at from \$7.55 to \$7.60 per hundred pounds, as against \$7.95 to \$8 a week ago. Pork, both Canadian mess and American cleer, is dearer, as is American plate beef. Late wholesale and jobbers' prices are here given:

May - War Babies were

the new record of 60 7-8, with average gains of 1½ points in other metals. Favorable trade conditions and additional foreign orders were accepted as the primary reasons for the movement.

Scarcity of the finished product accounted for the activity at higher prices of the several paper issues, International Paper common and preferred gaining from two to four points. Munitions and Equipments were irregular, at best, and motors yielded to pressure, with their accessories.

Total sales amounted to 1,035,000 shares.

THE MAKING OF A WILL is one of the most simple and at the same time one of the most important duties of every man and woman. There are reputable lawyers and trust companies who will see that a will is properly made, and that an estate is properly administered. Endless troubles and worries are caused by neglect to make a will. It is a matter for today. The Eastern Trust Company C. H. FERGUSON, Manager for N. B.
