LAND SCHEME lost Vital Question in Britain

loyd George Outlines Government's Plan of Action

oard to be Appointed With Ample Powers to Regulate Rents and Sweep Away Obstructions that Stand in the Way of Better Conditions for Farmers and Employes

windon, England., Oct. 22-Chancelof the Exchequer Lloyd George this dotted the I's and crossed the of the speech in which he inaugur the government's land campaign at ford on Oct. 11. He then said that was his object to free British land landlordism and get the peop on it,

ck on it. The two purposes the Liberal govern-ent had set itself, he said today, were attract and to retain the rural popu-ion on the land and to devise means develop both the quantity and the develop both the quantity and the dity of the total agricultural produc-i of the British Isles. Everything, asserted, would be subordinated to attainment of these two objects. Is the first step, said the chancell as purposed to establish a ands with control and supervision of questions dealing with the users of d both in town and country, and the ctions of the present board of agri-ure would be transferred to the new

stry. le government, he said, intended to the land out of chancery. Here-if a landlord found that "some settlement" hampered his schemes mproving his land he could apply he ministry of lands, which would le him to override the barrier. he new ministry, he continued, would the through commissioners who d act in a judicial capacity and the same power to reduce rents on

the same power to reduce rents on farms as the Scottish courts now

farmers also would have the appeal to the commissioners for ion of rent if the action of the called for a rise in the

## HOUSEHOLD HINTS.

Put a cupful of Indian meal, half upful of white flour and three table boonfulls of powdered borar into a p or bag. Articles that need cleaning c put into this bag and shaken.

When cooking an old-fashioned belles dinner, place the spinach in a cheese-cloth bag, then when the dinner is done it can be easily taken out, and the other regetables will not be covered with bits f green.

Order gamments are easy and loose ting across the shoulders and narrow the bess.

If for any reason the red bricks u rour fireplate become discolored or have vite spots on them, rub them full o inseed all, giving them all they will ab orb, and after a few applications the pois-will disappear. The waist line has suddenly s own and taken its shade somewh he neighborhood of the hips.

Before using new tine fill them with cold water, adding a handful of selt. Al-low them to stand several hours, then inse well in clear, cold water. After his method has been followed, nothing ticks to them. There is a tendency in some new models to drape the skirt toward the waist line in front.

We have in our possession a prescrip-tion for nervous debility, lack of vigor, weakened manhoad, falling memory and lame back, brought on by excesse, un-natural drains, or the follies of youth, that has cured so many worn and ner-vous men right in their own homes-without any additional help or medicine -that we think every man who wishes to regain his manly power and virility, quickly and quictly, should have a copy. So we have determined to send a copy of the prescription free of sharge, in a plain, ordinary scaled envelope, to any man who will write us for if. This prescription comes from a physi-cian who has made a special study of men and we are convinced it is the surest acting combination for the cure of def-cient manhood and vigor failure ever put KYLE-In this city, on Oct.<sup>5</sup> 19, at his residence, 89 Acadia street, after a lengthy illness, William John Kyle, aged 48 years, leaving a loving wife, three sons, one daughter and one sister to mourn.
