JOHN ALLINGHAM. Pospectus for 1874—Seventh Year. THE ALDINE,

Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic success and greatest general interest. Thus the subscriber to THE ALDINE will, at a trilling cost, enjoy in his own home the pleasures and refining influence of true art.

The quarterly tinded plates for 1874 will be by Thes. Moran and J. B. Woodward.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromos. Theoriginal pictures were printed in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in The White Mountains, New Hampshire; the other gives The Cliffs of Green River, Wyoming Territory. The chromos are each worked from thirty distinct plates, and are in size (12 x 15) and appearance exact facinities of the originals, as is attested by the following testimonial, over the signature of Mr. Moran himself.

NEWARK, N. J., Sept. 20th, 1873. Messrs, James Sutton & Co. Mesers, JAMES SUTTON & Co.

Gentlemen.—I am delighted with the proofs in
color of your chromos. They are wonderfully
successful representations by mechanical process
of the original paintings.

Very respectfully.

(Signed)

THOS. MORAN.

If any subscriber should indicate a preference for a figure subject, the publishers will send "Thoughts of Home," a new and beautiful chromo, 14 x 20 inches, representing a little Italian exile whose speaking eyes betray the longings of his heart.

\$5 per annum, in advance, with Oil Chr mos, free. For 50 cents extra, the chromos will be sounted, varnished, and prepaid by mail. THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the loca canvasser, without responsibility to the publishers except in cases where the certificate is given bearing the facsimile signature of JAMES SUTTO: & CO.
