The old maxim, "It's never too late to mend," may be amended by the addition of the words—"or marry." The banns of marriage were recently published at Grellingue, in the Bernese Jura, of a couple, one of whom is 93 years of age. His intended wife is said to be young enough to be his grand-daughter.

The recent terrible rallway accident on the Great Eastern line in England, which resulted in the death of twenty persons and the serious injury of forty more, was caused by an attempt to run two trains on a single track in an opposite direction at the rate of fitty miles an hour. It couldn't be done.
