## Give the Farm the Profitable Efficiency of a Modern Factory

The farm of today has the importance equal to that of great factories. And in serving the nation's needs, both produce a profit in ratio to the efficiency of each separate unit.

Machinery represents a heavy investment. Its continued operation requires additional money. If either farm or factory is to be successful, this invested capital must produce dividends.

Reduced operation costs, lower depreciation and increased output are the things that count big when profits are figured.

There is where En-ar-co Products meet the most exacting farm requirements—*your* individual needs.

## What En-ar-co Products Will Do for You

They give your machines longer life and greater operating power. That means less expense and greater income. It means profits!

### En-ar-co National Motor Oil

Proved highest quality by long years of practical tests and use under varied conditions. Lubricates perfectly with least carbonization. Will give perfect satisfaction in any make of tractor, automobile, motorcycle or gas engine. Try it.

### En-ar-co White Rose Gasoline

A pure, dry, homogeneous gasoline that produces the power you have a right to expect. Always uniform in quality. Insures continuous power—a silent, flexible power that means more mileage per dollar for auto or tractor—more productive energy for gas engines.

### En-ar-co National Light Oil

It gives your home a cheerful, clear light. No odor, charred wick or black chimney. It produces a steady, even heat for oil heaters and cook stoves. It maintains uniform heat in incubators and brooders, insuring the hatching of every fertile egg and nature-heat for the chick. National Light Oil is the most economical fuel for kerosene powered tractors.
