

that seven eighths of this stuff is made. A brilliant idea, indeed, then, was it to manufacture a lot of this trumpery, the most expensive looking piece of which does not cost, for the metal, mounting, putting together, and making up, thirty cents! and which is sold at the ruinous price of one dollar! sacrificed of course merely to get the credit of the sale. About ten weeks ago the obligation to suspend or fail, and preserve their honor as merchants? About ten weeks ago the first shop for the sale of this trash was opened in Philadelphia, and about the same time another was started in Boston. It is not quite two months since the "original one" was started in Broadway in this city. And now they swarm in every prominent place, and business street of each of these cities, and are represented by at least one in almost every town or city of any prominence in the Union, North, East or West. You can hardly pass a block in any of the streets usually crowded with promenaders, without coming across any of those dense, the showy window surrounded with a greedy and admiring crowd. It is a fearful and astounding fact that the "Dollar Jewelry" humbug has not been two months introduced, there are now no less than twenty-six different places where it is on sale in New York alone, and half as many in Brooklyn and Williamsburg above. The city is positively flooded with it, and unless the public accept the warning in time those men who have gotten up this fraud will actually fulfill their intention, in originating it, of actually duping the credulous of this city and country out of more than five million dollars, which they have earned hard enough, but which in such case as this, to purchase this stuff would be nothing less than casting it with open eyes and clear senses, yet wantonly into the streets.

WIDOW AND SLAVERY.—There are Irish villages and Scotch glens, and English towns at this day where the Mahatta or Thibetan or Red Indian wife would be regarded as the model of her sex. Such a spouse carries the tent, or rides the bullock or pony, with all her children depending about her while her husband rides on before in showy trim. At the resting-place she pitches the tent, or excavates an apartment in the snow; lights the fires, shampoos her husband while he smokes, and then feeds and serves her husband with it; and then feeds the children, collects food for the animal's next meal, perhaps catches fish, or shoots a few wild-fowl, and long after the whole family has been asleep, lies down at her husband's feet, or in any corner where she can find a spare bit of mat, aware that she must be the first up in the morning. This Asiatic or American wife is, in a manner, the representative of a considerable number of wives now living in the United Kingdom.—Once a Week.

SHIRLEY, (Tribune), Oct. 16, 1856.
Messrs. Perry Davis and Son:—Sir:—Gratitude to you, and duty to suffering humanity, require that I should make known the benefit I have derived from the use of your truly valuable Pain Killer; and if by seeing this, any sufferer will be induced, as I was, to give it a trial and be healed, I shall be compensated a thousand fold.

In June, 1855, after a protracted illness of several months, I was severely attacked with drowsiness, vertigo, dimness of sight, and loss of appetite, accompanied by fever, difficulty of breathing, etc. My physician pronounced my case pneumonia bordering on the first stage of consumption; and after exhausting his skill, declared positively that I had the consumption, that he could do nothing for me, and that I must die. However, he advised me to use . . . as the best thing I could do, which I did with no effect. I then made use of . . . which proved efficient.

By this time my symptoms were pain in the head, morning, evening, and during the night, darting pains through the chest, burning in the palms of the hands, quick pulse, night sweats, difficulty of breathing, etc., when fortunately I got hold of the "People's Pamphlet," in which I saw the cases of Messrs. Allen, Cone, and others, which induced me to try Perry Davis' Vegetable Pain Killer, and strange as it may appear, I derived more benefit from the use of one twenty-five cent bottle than I had done from all other medicines. I have used four bottles of the Pain Killer, and am hearty and enjoy better health than I have heretofore done for a number of years.

MAGNIFICENT STEEL PLATE ENGRAVING

OF
HIS HOLINESS POPE PIUS IX.,

(Size—Two Feet by Three Feet.)

AS a Work of Art, it cannot be excelled. We have reason to believe that a more elegant portrait of the Holy Father has never been published. He is represented at Full Length, in his Pontifical Robes.

We have determined to place it at the extremely low Price of

ONE DOLLAR

per Copy, in order to bring it within the reach of the most humble. We shall also present each purchaser with a Medal or Rosary of greater or less value, some of which will possess real value.

In addition to One Dollar, subscribers in the United States will remit four later Stamps, and subscribers in the Canada twenty cents in stamps, for pre-payment of postage.

Hear what the Metropolitan Record, the Official Organ of the Most Rev. Archbishop of New York, says:—

"We have received from the Publishers, Caldwell & Co., 37 Park Row, New York, two very fine Engravings of the Holy Father, one plain and the other colored. The low price at which they have been issued places them within the reach of all. This is an admirable likeness of His Holiness, mild, gentle and benignant-looking, and we doubt not that the publishers' anticipations of a large sale will be fully realized; for what Catholic family would be without so pleasing a remembrance of one of the most beloved and revered Pontiffs. It will make a very large and handsome picture; its size is 24 inches by 36, and its price One Dollar."

We have also numerous other Testimonials of a high order. A prompt order will receive the earlier impressions. With a Club of 10 Copies, we will present an ELEGANT COLORED COPY, valued at \$5, to the getter up of the Club.

AYER'S

CATHARTIC

PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some of the sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and observe the beneficial effects. They will not only cure the disorder, but will also restore the system to its natural state, and prevent a recurrence of the complaint. A cold settles somewhere in the body, and obstructs the natural functions. These colds, if not removed, lead to general debility, and various other diseases. While in this condition, oppressed by the derangement, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the natural feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous disorders. The same purgative effect is seen. Can you suffer with a cold, a headache, or any other ailment, and not feel better after the use of these pills? They are a natural function of the body, they are healthy, and many of them suffer, cured by the same means. Some may know the virtues of these pills, and neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities and from other well known public men.

From a Corresponding Member of the N. E. Soc. Med. & Surg. N. Y. City.

The Ayer's Pills are the best of all that I have ever used. They have cured me of a long and painful complaint, and have restored me to my natural state of health. I have been suffering from a cold, a headache, and a general debility, and have been unable to do my usual work. After the use of these pills, I feel better than I have for many months. I have been cured of the worst headache any body can have, by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. FREMIE.

Clark of Steamer Clinton.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as a purgative, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any other remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR.

Washington, D. C., 21 Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and do not hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an absolute necessity for the treatment of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not yield readily to them. Fraternally yours, ALONZO HALL, M.D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in as high esteem as the most celebrated cathartic ever found. Their regulating effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Hine, a Pastor of Advent Church, Boston.
