

# EDDY'S MATCHES

never annoy

Perhaps at some time you have bought matches that **did** annoy you.

Broken sticks, brittle sticks, sputter, fuss and fizzle! Many matches are like that.

But you'll never find them in an Eddy box. Eddy's Matches are Sure, Safe, Sound and Economical—the most of the best for the money.

Make sure they're Eddy's when you buy.

Look for the Name on the box.
