

Steel Filing Equipment is a Necessity

All important business records must be given the best protection obtainable to guard against their loss by fire. Not only do *Steel Filing Cabinets* offer the best protection for your records against fire, but they are practically everlasting.

As well as the regular "Office Specialty" Steel Filing Sections, we make special equipment to suit the exact size and shape of your vault. We will be pleased to take measurements and submit an estimate to you for an up-to-date equipment for your vault.

We offer systematized protection that's past all correction.
