INTERVIEWS & PHOTOS BY DANIELLE BOUDREAU

What does Valentine's Day mean to you?

Rob Girard
There's always someone who you can show your affection for on Valentine's Day. There aren't many happy days in a year.

Dorita Germani, Second year BSc. (L)
Valentine's Day sucks if you're single, but it can be sweet.

Dalya Abdulla, Second year BSc. (R)
It's a sweet day, but every day could be like Valentine's Day.

Lisa Robinson, First year Arts
It's over-rated, but still a nice day to express your true feelings for people.

Jason Bigio, First year Commerce
I really don't think about it.

Jane, Arts
I think Valentine's Day was invented by some jerk who couldn't get laid and decided to make all single people feel embarrassed for not having someone to swap spit with for one day of the year. And I'm NOT bitter.
