MEMO

A. J. McNeill Esq.  
Indian Agent.

28th Nov 1900.

Dear Sir,

5 One of your Indians named 'The Dog' informs me he came down to Macleod by rail looking for some horses which he has failed to find and now wishes to return home. He asks that his wife & brother be requested to send enough money to pay his fare back to Calgary and I have told him if you get the cash you will send it in my care.

He has been bad with rheumatism in the right leg for a few days back and is still far from well.  
With kind regards.

Yours truly  
A. W. Dixon.
