Re: Hon. A. Meighen

Ottawa, Ont.

Dear Sir: -

Would you kindly ask Mr. H. H. Stevens to get me a position of some kind here.

I had to sell my drug business six months ago, and lost very heavily. I am desperately in need of work and would take most anything.

I could take a position at any kind of clerical work or Post Office work having had a branch office in the store for years, I am forty-four years of age.

I have always worked very hard for Mr Stevens and the Conservative party and will do so again.

My sister Margaret wrote to you concerning me. Hoping you will do all you can to help me.

Sincerely yours

Wm. J. Bennett
