Dept. of Indian Affairs,
Ottawa, Canada.

Dear Sir or Madam:

I am writing this letter for the gentleman, and
I hope that you may answer very soon.

He wrote to the Indian Agent at Chapleau,
Ontario, twice, and has had no answer.

I understand that this gentleman has not collected
his treaty money for seven years more or less.

Could you please look into the matter and send him
an answer at your earliest convenience.

Thanking you,

H. Cachagee
