Ottawa 12th July, 1916.

Sir,

I re-enclose herewith the amount of \$40.00 which you submitted recently for fence made and material supplied in connection therewith. Before the question of payment can be considered it will be necessary for you to attach thereto receipts for payments made for wire and cartage and also payments for labour performed.

I have to inform you that the Department does not at any time employ an Indian Agent in any capacity apart from the duties covered by his appointment, and therefore you should not personally undertake the performance of work such as charged for in the voucher above mentioned.

Your obedient servant,

Asst. Deputy Secretary.

C.F. Bertrand, Esq.,

Indian Agent.
