of Air Regulations,  
Ottawa.

Dear Sir:

I am sending you three Journey and Aircraft  
log books to fill out the first page. I hope this correct.  
They are for Taylorcraft CF-DBP  
Super Cruiser CF-DNW  
Piper Cub CF-DCM

all of B.C. Interior Aviation Penticton, B.C. Kings Printer  
was not able to fill my order until now. Now is it absolutely  
necessary for me to transfer all the past trips into these  
books. I have kept a Journey and Aircraft book with each cor-  
responding day sheet with time up and time down of each trip  
with all necessary details. If I do transfer into these new  
books it will mean sending for new books now and using the  
ones I have sent you for the past. Time has been so long  
from my first order.

Thank you,

Yours truly

(David W. Smith).
