THE WALKERTON BINDER TWINE CO.

LIMITED

Is composed of 5,527 of the most progressive **FARMERS** of Ontario, 95 per cent. of the stock being owned and controlled by them.

We are manufacturing a superior article of Binder Twine, and selling it at the lowest possible price. We make three grades, containing 550, 600, and 650 feet respectively, the prices for which are 9½, 10½, and 11¼ cents per lb., delivered at the customer's nearest station.

All accounts are payable by the 1st October, and we allow an additional quarter cent a pound off to those who pay cash on delivery. These prices and terms are exceptionally favorable, and it is expected that our friends, and all others who want an article that they can depend upon in the harvest field, where the true test is made, will place their orders early. If there is no agent in your locality, send to us direct.

Remember that this is a co-operative company, and any profits that may accrue will be distributed to the shareholders. There are no speculators to gobble up the profits in the **WALKERTON BINDER TWINE CO.**

We ask you to give us a trial, confident that the result will be satisfactory, and lead to extended business with you in future years. **We are here to stay,** and it would be folly for us to expect your patronage unless we give you entire satisfaction. When ordering your twine for this season's harvest, don't forget that we have the best and finest plant in Canada, and that we are turning out a very superior article at a small margin over the cost of production.

All inquiries will be promptly attended to, as we are always glad to give full information to our friends and patrons.

We expect to be able to fill all orders; but, in order to prevent possible disappointment, we would recommend that orders be sent in at the earliest convenient date.
