At the Dominion Trades and Labor Congress which lately met in Hamilton, the following resolution was carried by a vote of 27 to 9. "That in the opinion of the Congress there is no necessity for Sunday work. The labor people demand, not as a privilege, but as a right, that they should have the Sabbath for their own use. It was made for man. Resolved: That we urge our members to continue their warfare against Sunday work, remembering that if six men work seven days they do the work of seven men in six days; therefore, every time six men work Sunday they are taking the bread out of the mouth of one fellow-workman." God's law of one day in seven for rest and worship for the good of the people.
