

REMINGTON UMC

Start Right with a Remington UMC

Repeating Rifle 22. Single Shot

Many crack-shot reputations are built on the foundation of a .22. So when selecting your .22 Rifle, demand the same accuracy and precision you expect in a large-calibre Arm.

REMINGTON-UMC .22 Rifles are built of the same high-grade materials—by the same careful expert gunsmiths—in the same finely equipped shops—as our High-Power Sporting Models. Targeted and tested by the same Government and Military experts.

Your .22 will be a PERFECT Arm, if you insist on the REMINGTON-UMC. Snuggle one of these rifles to your shoulder—and no other kind will ever satisfy you.

The "Big Little" .22's

The smallest Remington-UMC Cartridge is just as carefully made as the Remington-UMC Big Game Metallics. Swift, straight-shooting, and hard-hitting. They Guarantee Your Arm.
