This is a rare chance to buy imported stock at reasonable prices. Write me now, and ask also for the finest poultry circular published in Canada. om

GUS. LANGELIER, Quebec City.

THE SOURCE OF HEALTH.

A grand opportunity for weak men who have tried to get cured and failed.

Dr. McLaughlin's Electric Belt with its Electric Suspensory is the grandest invention of the age for building up wrecked humanity. It is free with Belts for men.

What would you give to have your old vim back again? What would you not sacrifice to feel as you did a few years ago; to have the same snap and energy, the same gladness, joyous, light-hearted spirit and the physical strength you used to have? You know you are not the same man, and you know you would like to be. You might as well be. It's easy. I am making men out of wrecks every day, and I can make you as good a man as you ever were with

Dr. McLaughlin's Electric Belt.

My arguments are good, my system is good, but I know you haven't time to study these. You want proof, and I give you that, and lots of it. When your own neighbor tells you I cured him you will know I did it.

Tell me where you are and I'll give you the name of a man in your own town I've cured.

I WILL PAY \$1000

For a case of Nervous Debility, Varicocele, Early Decay and Waste of Power, Rheumatism, Lame Back, Lumbago, Sciatica, any case of Kidney Disease that has not gone as far as Bright's Disease, Indigestion, Constipation or any weakness caused by ignoring the laws of nature, which I cannot cure with my new improved Electric Belt, the marvel of electricians, the most wonderful curative device that has ever been introduced.

My Electric Suspensory carries the current direct to the weak parts and cures all weakness of men, varicocele, etc. It develops all weak organs and checks unnatural drains. No case of Failing Vigor, Varicocele or Debility can resist the powerful Electric Suspensory. It never fails to cure. It is free with Belts for weak men.

No man should be weak, no man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him; no man should suffer when there is at hand a certain cure for his weakness, a check to his waste of power.

Most of the pains, most of the weakness of stomach, heart, brain and nerves from which men suffer are due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives.

I am willing to take all the chances of curing your case, and if I fail you will have the satisfaction of knowing that one of the best and strongest electric appliances in the world has failed. All you lose is your time. My confidence in my method enables me to offer any man or woman who will secure me the use of my Belt at my risk and

PAY WHEN CURED.

CAUTION. To protect the reputation of my Belt, I am compelled to caution people against certain concerns that are advertising electric belts. My office contains hundreds of these magnet bands that possess no virtue. Even if they did, those selling them could not advise the proper manner to apply them.

READ WITH CARE.—Dr. McLaughlin's is positively the only electric appliance sold in Canada with which the patient has the care of a physician. I do not allow agents or drug stores to handle my Belts.

FREE BOOK. Write for my beautiful Illustrated Book showing how my Belt is used. I want you to read this book and learn the truth about my arguments. If you suffer from rheumatic pains, weak kidneys, loss of vitality, prostatic troubles, nervous spells, varicocele, or any ailments of that kind that unman sealed without marks free upon application. If you are not the man or woman you should be call or write at once **CONSULTATION FREE.**

I Have a Book Especially for Women also.
