THE ROAD TO HEALTH! HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND BAD DIGESTION.

Copy of a Letler from Mr. R. W. Kirkus, Chemist, 7, Prescot Street, Liverpool, dated 6th June, 1851.

Prescot Street, Liverpool, dated 6th June, 1851.

To Professor Holloway,
Sin,—Your Pills and Onintment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was in duced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above from the severity of the attack, and the speedy cure, I think, speaks much in favour of your astonishing Pills.

AN EXTRAORDINARY CURE OF RHEUMATIC

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND.

Copy of a Letter inserted in the Hobart Town Courier of the 1st March, 1851, by Major J. Walch.

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an in oredible short space of time they effected a perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Measrs. Thew & Son, Proprietors of the Lynn A vertiser, who can vouch for the following statement.

— August 2nd, 1551.

To Professor Holloway,

Sin,-1 desire to bear testimony to the good effects of from a psin and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 24 years of age, and not withstanding my advanced state of life, these Puls have so relieved me, that I am destrous that others shound be made acquisited with their virtues. I am now rendered by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) HENRY COE, North Street, Lynn, Nortolk.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT. Copy of a Letter addressed to J. K. Heydon, Esq., Sydney New South Wales, dated February 25th, 1851.

New South Wates, dated February 25th, 1851.

Sig.—A Mr. Thomas Clark, a Settler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, tog-ther with the Gravel. His method attendents, after trying all their skill, candelly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holoway's Pill's and as a forlorn hope he did so, the first dose gave him considerable relit, he therefore persevered in taking them according the directions, and is now restored to perfect health. He will fool great pleasure in confirming this statement, or even make an adidavit to the same effect, should it be required. (Signed)

Win, JONES, Proprietor of the Gouldon'n Herald, New South W. Jes.

EAST INDIA HAIR DYE.

Clours the Hair, and not the Skin.

Colours the Hair, and not the Skin.

This dye may be applied to the hair over night, turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, without the least possible trouble, keep his hair any dark shade or perfect block; with a possitive assurance that the dys, it applied to the skin, will not colour it. By an occasional application, a person turning grey will never be known to have a grey bair. Directions complete with the article. There is no colouring in this statement, as one can easily test.

These facts are warranted by the gentleman who manning cores it, who is the celebrated Chemist, Dr. COM, STOCK, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.
