Northern Pacific Railroad.

Rapid Progress of the Work The building of the Northern Pacific Railroad the building of the Northern Facine manifold (begun July last) is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly completed 266 miles westward from Lake Superior trains are running over 130 miles of finished road and track-laying is rapidly progressing towards the eastern border of Dakota. Including its purchase of the St. Paul and Pacific Road, the Nothren Pacific Company now has 413 miles of completed road and by September next this will be increased to at

A Good Investment. Jay Cook & Co. are now selling, and unhesitatingly recommend as a profitable and perfectly safe investment, the First Montgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have 30 years to run, bear Seven and Three-Tenths per cent, gold interest (more than 8 per cent, currency), and are secured by first and only mortgage on the ENTIRE ROAD AND ITS EQUIPMENTS, and also as fast as the Road is completed, on. at all times receivable at TEN PER CENT ABOVE PAR, in exchange for the Company's Lands, at the lowest cash price. This renders them practically interest bearing land warrants. SINKING FUND. The proceeds of all sales of

Lands are required to be devoted to the re-purchase and cancellation of the first Montgage Bonds of the Company. The Land Grant of the Road exceeds Fifty Million Acres. This immense sinking fund will undoubtedly cancel the principal of the Com-pany's bonded debt before it falls due. With their ample security and high rate of interest, there is no investment, accessible to the people, which is more profitable or safe.

EXCHANGING U.S. FIVE-TWENTIES. The success of the New Government 5 per cent. Loan will compel the early surrender of United States 6 per cents. Many holders of Five-Twenties are now exchanging them for Northern Pacific Seven-Thirties, thus realizing a handsome profit, and greatly increasing their yearly income.
