To Members of the General Synod

At this juncture, the time of the great meeting of Churchmen in Canada, gathered together to consider the highest interests of the whole Anglican Communion, to deal with weighty matters of the first importance to Church and State, to decide on future policies for the welfare in things spiritual and temporal of the millions in our great Dominion, and specially after hearing the earnest words of our Primate on the great need of a widespread circulation, of the decisions reached and the policies adopted, both by this Synod and its important Committees, we bring forward for your thoughtful consideration the question, Is not the Church weekly newspaper the best means to reach the Church people and to educate them?

And cannot we, the Bishops, Clergy and Laity, see that, in our Dioceses and our Parishes, from end to end of the Dominion, The Canadian Churchman is circulated as widely as it should be, in all the homes of our people? If you are not already taking the paper, subscribe before you leave Toronto, and on returning home arrange with some one to act for us in securing new subscribers. We will pay 33 1/3% commission. Remember! this is the only Church paper appealing to the whole Canadian Church, not a party organ, but the Church "news" paper of Canada and of the Church of England at large.
