**Total Abstainers**  
are becoming more and more appreci-  
ative of the benefits of insuring with **The  
Manufacturers' Life Insurance Company**,  
as we not only give Total Abstainers the  
advantages of special plans and rates,  
but keep a separate classification as re-  
gards mortality. In 1905 the ratio of  
business done in the Abstainers' Section  
to that in the General Section was 2 to  
3; in 1915, just a decade later, this ratio  
had changed to 4 to 3 in favour of the  
Abstainers' Department.  
Two essential factors are responsible for this won-  
derful increase: First, the popularity of our special  
policies for Abstainers, coupled with public approval  
of our Assets and progressiveness; and, Second, the  
growth of temperance sentiment.  
Wouldn't you like to carry a policy in a Company  
that recognizes in a concrete way the advantages you  
are entitled to as a Total Abstainer?
