MANUFACTURED BY

The T. A. LYTLE COMPANY, Limited

124-128 Richmond St. West, TORONTO.

THE CONSUMPTION OF LIME JUICE IN CANADA IS IN-
CREASING YEARLY, and we take a great deal of credit on
ourselves for this result, for we put on the market (we commenced
refining Lime Juice in 1888, and to-day we have the largest business of
its kind in Canada), a really first-class article in Sovereign Lime Juice;
bottled in a handsome package, at such a price as to bring it within the
reach of every purse. It is so strong, and yet of such delicate flavor, that
it requires only two teaspoonfuls to make a tumbler of a most delicious
and healthful drink.

Bottled in Imperial Hock Pints and Quarts, one dozen in case.
