of quartz, carrying excellent values in that district.

On the properties of the Miner-Graves syndicate, at Phoenix, 170 men are employed, and stopes are being opened in seven places. The additional 10-drill compressor of the Rand duplex condensing type has been received and installed. This will give a total capacity of 20 drills. However, some time early next year, as was outlined by Mr. Miner in his speech at the banquet at Grand Forks, the syndicate will purchase an 80-drill plant. Beside the 10-drill compressor other machinery previously received and installed consisted of two 80 horse power horizontal tubular boilers and two 8 by 12 hoists.

The annual general meeting of the Crown will be held at the Hotel Armstrong tomorrow. This evening Hon. T. Mayne Daly, K. L. Johnstone, Secretary M. H. Orde and W. C. Maedonald, O. Indicate the deposition of the secretary of the terms of the assets of the old company to the new company.

Tenders for the whole or any part of such shares will be received by me up to the 3rd day of October, 1900, and must be are offered subject to a reserve bid, and the undersigned reserves the right to reject any tender. Tenders must state the number of shares asked for and the event of any tender not being accepted the depositional will be forfeited. In the event of any tender not being accepted the depositional forms of the Brandon & Golden Crown will be held at the Hotel Armstrong tomorrow. This evening Hon. T.
