

The Standard of Comparison

## A High Quality Car at a Modest Price

Master Four 23-38 Touring Sedan

In addition to its smart appearance, the trunk is useful for samples and papers, and for shopping bundles, as well as luggage when touring.

B1080

For the man or woman who seeks a refined, handsome closed car for business or pleasure—one that provides complete protection in all weather—this four-cylinder touring sedan meets every requirement.

The design of the beautifully-finished Fisher-built body gives the intimacy of a coupe with the carrying capacity of the sedan. The interior fittings are harmonious and tasteful.

Provision for samples, parcels, luggage, etc., is made in the handsome trunk, carried outside at the rear.

And the price of this fine closed car makes it a value without comparison.
