## MINERAL WATER VERY POWERFUL

It Eats Away Metal in a Very Short Time—Some Facts About the Famous Well.

A visit to the well of the Chatham Mineral Water Co. and a chat with the caretaker, Edward Broomfield, furnishes some interesting information. Mr. Broomfield is always at the well from 2 to 4 p.m. and in the morning he is at the Victoria Block. In conversation yesterday afternoon, Mr. Broomfield told some things not generally known.

"Yes, people come after the water and many are already using it," he said. "Those who come say that the medicinal properties of the water are at their best in curing salt rheumatism, sore shoulders on horses, sore backs on dogs, and killing vermin. So you see the water both kills and cures and proves the fallacy of the old saying 'kill or cure'."

"During January and February, people kept coming every day for the water, but of late we had been letting the water run, and instead of buying it, everyone came and caught the water as it ran to the creek, so we shut off the flow except when I am here."

"Taste the water and you will see that it is stronger than sea water. I was raised by the sea, and I have bathed in the ocean and have drunk the waters of the sea, and I know whereof I speak, when I say that the mineral water is quite a bit saltier than the waters of the ocean."

"There are some peculiar qualities to the fumes from the well. We have to get a new padlock for the door every three weeks. A colored man came one day and filled a five gallon can. Inside a week he was back with a crockery jar. The tin had been eaten all to pieces."

Mr. Broomfield sells the water at 5c a quart. He is at the Victoria Block in the morning, and at the well in the afternoon.

### WHERE MOTHER IS.

Old-fashioned flowers, with fragrance sweet,

Bloom where mother is.

Life's a pain, a song replete,

With joy where mother is.

There all woes and sorrows cease,

Naught but rest and heavenly peace,

Dwell where mother is.

The jostling crowd, the wearing din,

Are not where mother is.

The flaunting rags of shame and sin,

Reach not where mother is.

Heart-sick, brain-tired, nerve-wracked soul,

Before thy tear-dimmed eyes a goal,

Exists where mother is.

All grief and doubt and unbelief,

Flee where mother is.

Hope and faith and sweet relief

Come, where mother is.

Mother, mother, name most sweet,

Heaven guide my weary feet

Home, where mother is.

## REMARKABLE SUCCESS

Of a New Catarrh Cure.

A large and constantly increasing majority of the American people are catarrh sufferers. This is not entirely the result of our changeable climate, but because modern investigation has clearly proven that many diseases known by other names are really catarrh. Formerly catarrh was applied almost exclusively to the common nasal catarrh, but the throat, stomach, liver, bladder, kidneys and intestines are subject to catarrhal diseases as well as the nasal passages.

In fact, wherever there is mucous membrane there is a feeding ground for catarrh.

The nasal remedies, inhalers, sprays, douches or powders, have been practically failures, as far as anything more than temporary relief was concerned, because they simply dry up the mucous secretions, without having the remotest effect upon the blood and liver, which are the real sources of catarrhal diseases.

It has been known for some years that the radical cure of catarrh could never come from local applications, but from an internal remedy, acting on the blood and expelling the catarrhal poison from the system.

A new internal preparation which has been on the market only a short time, has met with remarkable success as a genuine, radical cure for catarrh. It may be found in any drug store, sold under the name of Stuart's Catarrh Tablets, large, pleasant tasting lozenges, composed principally of antiseptic ingredients, eucalyptol, guaiacol, sanguinaria, hydrastin and similar catarrh specifics.

Dr. Ainslee in speaking of the new catarrh tablets, says: "I have tried the new catarrh remedy, Stuart's Catarrh Tablets, upon thirty or forty patients with remarkable satisfactory results. They clear the head and throat more effectively and lastingly than any douche or inhaler that I ever used, and, although they are what is called a patent medicine and sold by druggists, I do not hesitate to recommend them as I know them to be free from cocaine and opiate, and that even a little child may use them with entire safety."

Any sufferer from nasal catarrh, throat or bronchial trouble, catarrh of the stomach, liver or bladder, will find Stuart's Catarrh Tablets remarkably effective, pleasant and convenient, and your druggist will tell you they are absolutely free from any injurious drug.
