A NEW SUNDAY DRESS! Costs Only Ten Cents.

A lady who understands the use and value of Diamond Dyes writes as follows: "I had a light blue dress, made of expensive material, but so light in shade that it faded quickly. It was too good to be cast aside, so one evening I took it to a dyeing establishment, and was surprised when they told me they would dye it some dark color for two dollars. I did not care for dark colors, so I took it home again. The next day I bought a package of Diamond Dye, and colored it a beautiful Cardinal Red, and it now looks just like new, so that I now have a new dress for Sunday, and it only cost ten cents."

BRADLEY'S FERTILIZERS.

THE BEST IN THE MARKET.

Manufactured at North Weymouth, Mass. The largest fertilizer works in the world.

WHAT SOME OF OUR FARMERS SAY OF IT: UPRON DYKE VILLAGE, February 14th, 1896.

Dear Sir,—I used Bradley's potato fertilizer last spring for potatoes without manure with good results. I used it in the drills, about 300 lbs. per acre. The potatoes made a quick start, and got their growth sooner than those where I used manure, and was a better crop. I have used other fertilizers, but Bradley's is far ahead of any I have tested.

Yours, C. E. SHAFER.
