Dia WE regret to learn that S. E Crane, Esq., Bay Verte, is seriously ill. MR. R. W. Chipman has been ap pointed Clerk of the Peace for Cum berland. CHRISTMAS TREE at Union Hall Upper Sackville, on Taursday, 28th inst. DR. F. GAUDET, of Memramcook, has been appointed Coroner in the Parish of Dorchester THE VENTILATION in the New Court House is very imperfect, and the 'atmosphere during Court is	 A. C. DORS, Shinkakas, is baakrapt. THEODORE THINN lectures at St. John to morrow night. REV. JAS. CAHILL, of Bristol, York, is dangerously ill. LUMBER is looking a little better in Britain, and the West Indies. TRAMPS and dead beats are increasing in number at St. John. THE METROPOLITAN HORS Railroad in Boston employs 500 cars daily. TROOPEHIF "Tamar" has arrived at Halifax with the 97th Regiment. REV. FATHER MICHAUD has removed from St. John to Buctouche. A new Baptist Meeting House is to be dedicated at Nashwask next Sunday. THE beavers at Nacknwick some days ago stole the axc, kettle and grub of a trapper. AN UNFINISHED Baptist Church at Glace Bay was blown down during the gale on 19th. BERWICK and Kentville are rivals, waging war as to which shall have the Exhibition of 1877. MR. J. STEWART TUPPER has been appointed Reporter to the Ontario Court of Appeal. MR. HAWNAY is to be invited to deliver his lectures on Louisburg at Sackville in January. THE breaking of an ice gorge at St. Lewis, on 12th, destroyed \$2,000,000 worth in shipping and freights. THEFE are about 150 carpenters employed on the works at the new and old depots at Halifax. 	 bother derivative and ward with example and the Book Store.—Very fine mantel mirrors on show at the Picture Store of J. C. Cole.—Dr. Carritte intends removing to Amherst to practise his profession. His nunferous friends in Westmorland and Cumberland will be pleased to have him amongst them again. He will be in Amherst on Tuesday. Advt. next week.—Dr. D. C. Allan has removed to Amherst from Westmorland.—Mr. D. Douglas is selling the stock of the late W. B. Tighe at bargains. THE CONCRET at the Methodist Church last Saturday evening was a moderate success, although the attendance was slight owing probably to the intense cold prevailing. The Organ solos by Mr. Holbrook and Prof. Sterne were of course the chief features in the evening's entertainment. The Organ under the manipulations of Mr. Holbrook gave evidence of being a powerful and excellent instrument, the sounds being pure and clear; the flute and Clarabella being cepeially worthy of mention. Mr. Holbrook is not only a successful organ maker, but he understands the art of displaying his work whe adone. Prof. Sterne played two solos, Emporor Williams March and Wedding Belia in his usually artistic style. They were brilliant piezes and were executed with much spirit. His song, "Gate Nacht" was not rendered as well as usual. Miss Pickard and the Church choir gave an anthem, and a chorts in an excellent manner, Miss Pickard presiding the organ. 	which, it is most useful, are AXENIA, or Deficiency of the Blood Corpuscle, Hya- TERIA, indicated by Palpitation of the Heart, Dejection, Anxiety, and Difficult Breathing. QUI NINE produces upon the system the same beneficial effects as PERIALAN BARK, without being so spt. to naussate and oppress the stomach, and is most be- neficual in all Morbid Conditions of the system, and in low and typhoid forms of disease. Hereo its use in Scantaina, Measles and Small Pox. in Carbancle and Gangrenous Eryspielas, and in all cases in which the system is exhausted under puru- lent d scharges, and the tendencies towards recovery. Hansington's Quintne Wine and Quinne, with the Finet Sherry Wine, pleusantly flavored. Price 500, per bottle; six for \$2.50, Prepared only by HANINGTON BKOS, Foster's Corner, St, John, N. B. Robinson's Phosphorized Emulsion of CodLiver Oil, with Lacto-phosphate of Lime, is prepared with the finest se- lected Cod Liver Oil-one of the most es- teemed remedies in the catalogue of the "Materia Medica". <i>Lacto-phosphate</i> of Lime, which enters so largely into the formation of bone material and other im- partant tissues of the body, <i>Phosphorus</i> , the great brain and nerve tourc and invig- orator, in a form most desirable to obtain is fullest effects, together with other Yal- ueble remedical agents. These are all in- timately combined in one demulcent fluid of homogeneous appearance and delicate flavor, possessing remarkable power in ar resting the decay and supplying the waste constantly going on in those shoromal conditions of the system, affected by such diseases a pervert and impair un ritioa, vitate the blood and sap the vital forces, It is highly recommended for Consump tion.
