KEARSARGE JR.

We here present the breeders of York a photograph of this beautiful stallion, showing his form, without check or appliance of any kind, which is sufficient to show that he is a true horse. His style is wonderfully striking; his build is compact, his legs are powerful, his head is straight, his neck is long and elegant, his tail is set on high, and his overall appearance is that of a champion. He is a true horse, and his breeding is of the highest quality. To that end I invite all interested in the improvement of the horse to call and learn full particulars and terms.

BECAME DESPONDENT.

Hamilton Lady Persecuted for Six Years by Dyspepsia—Gave Up Hope of Ever Being Well—Free at Last by the Aid of Dodd's Dyspepsia Tablets.

How many a poor Dyspeptic loses hope of ever being well again? How many a poor Dyspeptic is brought to his end by Dyspepsia, that horrible malady that makes men and women despondent and tired of life?

To such people Dodd's Dyspepsia Tablets are priceless beyond the telling, for they mean health, good spirits and sound digestion. There is no need to lose hope, when Dodd's Dyspepsia Tablets will cure if but given a chance.

In nature there are certain acids that will digest food just the same as the stomach does. Meat, bread, vegetables and any other food may be placed in a jar covered with water, and actually digested by these acids in a few hours.

Dodd's Dyspepsia Tablets are composed of the best digestants known. They are absolutely harmless and do the work of the stomach while that organ takes a well earned rest.

This is the only successful way to treat Dyspepsia. The same principle is used by Sanitariums and other institutions where the patient is fed on milk to rest his stomach. With Dodd's Dyspepsia Tablets you may eat whatever you like, knowing that the stomach will not have to do the work of digestion, and no evil or suffering will follow.

Miss Maggie Brown, of Hamilton, says "Dyspepsia and Headache afflicted me for six years. My case was one of the worst kind. Doctors did their best in vain, and gave up all hope. A friend of mine advised me to try Dodd's Dyspepsia Tablets, and to my surprise, on doing so, my headaches left me, and I am now completely and, so far, permanently cured."

A MAN AND WIFE

Agree Perfectly in Their Warm Praise of Dodd's Kidney Pills.

NAPANEE, Ont., June 24.—(Special)—It is phenomenal to see a man and his wife agree so heartily as Mr. and Mrs. Simon Warner of this town agree about Dodd's Kidney Pills.

"I would like to recommend Dodd's Kidney Pills to every one that hears complaining of a pain in the back," says Mr. Warner.

"I was so lame in my back that my wife had to lift me out of bed. The doctors said they could do nothing for me. I was told by a friend to try a box of Dodd's Kidney Pills, and found they helped me right away. I recommend them to everyone, and always after a trial the people are ready to recommend them to others. My wife has used five boxes of Dodd's Kidney Pills, and says exactly the same as I do. Neither she nor I feel safe unless we have a box in the house."

BOER PRISONERS.

HAMILTON, BERMUDA, June 28.—The British transport *Armenian* having on board the first shipment of Boer prisoners to be quartered on Darrell's Island arrived today. The health officers only are allowed to visit the ship at present. It is rumored that there is much sickness on board. The *Armenian* had a good passage of 11 days from the island of St. Vincent. The prisoners seem to be in good spirits, though rather ragged in appearance. There was no case of infectious disease on board. The prisoners are a mixed lot of native Dutch and Europeans.
