The anticipations of the directors of the Hamilton Jockey Club that there will be a record attendance for a first day, at the opening of the club's summer meet yesterday was fully realized. There were about 3,000 persons present, nine car loads coming from Toronto. Society was out in force and the scene in the members' stand and enclosure was a very briliant one. Among the distinguished visitors were the Lieut.-Governor of Ontario, Sir William Mortimer Clark and Miss Clark, who were attended to the standard process of the realizable of the clark and Miss Clark, who were attended to the standard process of the realizable of the standard from the last furbance of the standard from the standard process of the running with Left Guard, Ismalian crossed his legs and fell in the last furbance of the standard from the tario. The entries of Ed. Talley, and the presence of Jockeys Goldstein and Mulcahey are not acceptable at the local track, in accordance with the rulings in their cases at the Ontario Jockey Club meeting. Montclar was allowed to fill his stake engagement to-day, but Tim O'Toole, who had been entered in an overnight purse, was scratched.

The racing was of a high order, two track records being broken and a new Canadian record was established. The first two races were run in faster time than was made at the spring meeting at the Woodbine. In the first race Night Mist broke the track record for six furlows negotiating the first race Night Mist broke the track record for six furlongs, negotiating the distance in 1.12 2-5. Johnny Dyment's Uncle Toby was the second horse to break a track record—the Derby course. He covered the mile and a quarter in 2.07 2-5. A new Canadian record for a mile on the turf was made in the race on the new grass course. The course, a mile, was covered by Caper Sauce, a Canadian bred, in 1.42. Twice the five furlong record was equalled during the afternoon. The feature race, the Hamilton Derby, worth \$2,000 to the winner, was a good one, although there were

The victory of the Dyment horse was a popular one and the owner, Johnny Dyment, jun., was loudly cheered when he took hold of Uncle Toby's head to be "snapped." by the official photographer.

The race through the field was, perhaps, the most interesting for the grand stand contingent. It was a selling affair at two miles and brought out a field of six. Sam Palmer was an even monry favorite. Rob Alone led for one turn of the field, but field at the water jump and Tommy Rae, who had the mount, was badly shaken up, but no bones were broken. The favorite then went to the front, and was closely chased by Georce Leiper, Gault and old Tony Hart. At the last jump George Leiper last his rider, Fricker, a poor rider, and the other two finished in the order named. The local jumper, old Apterx, owned by Ruben Rosenhood, surprised many by standing up to the finish. He went under the wire in fifth place.

Bath Maria, on whom there was a heavy play in the fifth race, "crossed her legs while running over the lealers in the stretch and fell in a heap. It was reported that her shoulder was broken, but the veterinary would not order her destroyed until a more thorough examination was made. Leibert, the New York jockey, had his shoulder bone broken when Bath Maria fell and he was taken to the City Hospital. The race was won by the favorite. Aptwater, from the Valley Farm Stable.

The Dyment stable scored a second win with Temeraire, who led from end to end in the fifth race. Fairbrother had the mount and he did as Nichol did—made a runaway race of it.

The racing started at 3 o'clock and the seven races were over about 5.30.

Twenty-reight books weighted in and as speculation was keen they handled a great deal of money. The talent had a little the better of the argument, however, a lot of money being taken

HORSEMAN DEAD.

New York, June 10.—O. H. P. Belmont died at his home at Hempstead, Long Island, this morning.

Mr. Belmont had been seriously ill only about a week. He had not been in the best of health for some time, but his condition was not such as to cause any alarm until appendicitis developed last Monday.

BALLOT WON YESTERDAY.

BALLOT WON YESTERDAY.

New York, June 10.—It looks as though James R. Keene has the Suburban cinched with either Celt or Ballot. The Voter colt Ballot, making his 4-year-old debut, simply romped off with the \$5,000 Standard Stakes here yesterday afternoon. He ran with his mouth open all the way, and won without ever being let down. He led from start to finish. In fact, it seemed like play for him to beat the Suburban eligibles who started with him. He was 4 to 5 favorite in the betting. Montgomery was second, and Royal Montgomery was second, and Tourist third. The time, 2.05 3.5.

LONDON BEAT THE FALLS.

Niagara Falls, N. Y., June 10.—(Special.)—The London and Niagara Falls teams played a fast game here yester-day, the nine innings being served up in 1 hour 35 minutes. Waddell held the whip hand for the Beavers, and the home whip hand for the Beavers, and the home club escaped a dip in the kalsomine tub by the narrowest margin. The Beavers new recruit outpitched the Yanka' slabman at every stage, letting the home team down with two hits, and walking 11 to the bench.

Ragged fielding assisted the Londoners in a measure. In the third the visitors slugged in four runs, when B. Jeffries, Capt. Bird, and N. Jefffies scored

Working against him was Weldon Henley, who used to take his turn in the bow with "Bugs" Waddell on the Philadelphia Athletics. Both Mitchell and Henley were wild at times, but they took a strong grip on the doings when the batters of the respective teams the strength of the str

How Donovan Was Nicknamed "Wild Bill."

Bill Donovan, better known as "Wild Bill," gained his nickname when he was in the Eastern League. To the mind of the small boy the name of "Wild Bill' is associated with shooting scrapes and general good times on the frontier. Donovan in his youth pitched in the Eastern League, and his propensity for shooting people in the grand stand with wild curves gained him the name which he now proudly bears. It only shows that a man cannot outlive a misspent past, no matter how good his control may be at present.

Bill was with Hartford in the Eastern League when Cy. Seymour was farmed to Worcester by the New York Giants, his pitching arm having gone back on him. Seymour was a pitcher in those days and the Giants couldn't see him as an outfielder.

He was sent to Worcester and reported to the oval, which was situated far out in the country, three miles from the city, First day Hartford appeared, and "Wild Bill" was pitching.

Bill was pitching.

Seymour arrived at the oval, dressed, and walked out on the grounds. He gazed far across to the hills and wilds of Shrewsbury, and his face took on a sorrowful expression. Broadway was never like this, and Cy. liked Broadway. "Gee. I reckon I'm farmed for fair," he muttered.

They put him in to pitch, and in the second inning he had a battle with the umpire. He took the ball and threw it clear over the grand stand.

"You dress and go back to New York," Manager Frank Leonard told him dimediately proceeded to give bases on balls.

"Perhaps if I'm wilder they'!! send me to the big league. too," he said.

To-day Bill laughs at the experience. "I gave nine bases on balls in three innings, and what do yon think they league! I guess not. They took me out of the game and fined me \$10 because I this evening:

About

Sketch of Bobby Kerr.

Bobby Kerr, of this city, who was given a send off by the Olympic Committee at the Royal Hotel last night, is Canada's premier and one of Canada's athletic gentlemen. He is a classy boy from the roof of his hat down, and here in Canada we believe him to be as good as the best of them. Kerr has been timed .10 flat a dozen times last summer for 100 yards and he thinks he can do 220 in .21 flat. He has run it for 100 yards and he thinks he can do 220 in .21 flat. He has run it several times in .22 2-5. Kerr has been timed .9 4-5 several times for the hundred, both here and in Hamilton, and is good for .10 flat any time he is pressed. He was a slow starter last season, and won all his races from the 50-yard mark on, but this season he has been working steadily at the barrier, and now he kicks off with the sound of the gun. He did .5 2-5 for the 50 yards indoors at Riverdale arena last winter. Kerr is a grand handicap runner, and is a grand handicap runner, and frequently has had to concede 12 yards in a hundred.

He wins all over the country, and probably has more prizes than any athlete of the younger brigade in the country. Kerr is 23 years of age and weighs about 140 pounds. He is a very stylish

Kerr has been trained for the past two years by George Ander-son, who will accompany the great sprinter to England.

At the request of a number of admirers of Eddie Cotter, the secretary of the committee wired the Burlington boy's entry to the secretary of the Canadian committee at Ottawa. A number of Hamilton people have expressed a willingness to contribute toward's Cotter's expenses and it is thought, Burlington people will give the rest. If Cotter "makes good" in the Marathon his expenses will be refunded by the Canadian committee. Mr. Francis Nelson, who was here for the races, last night wired his approval of entering Cotter. and the man the white boxers have been steering clear of. Blackburn has been fighting heavyweights recently on account of being unable to induce the white boxers to give him a chance. Since Ketchell heat Papke, Jimmy Coffroth has said that O'Brien is the only man he knows capable of giving the Montana cowboy a battle, and he wants to see O'Brien perform against the negro Blackburn. If Jack's showing is good he can get a match with the western wonder and cop a nice piece of change. O'Brien should be in good shape. He has no bad habits, and has always taken care of himself. He is sincere in his desire to rehabilitate himself in the public's eyes, and will go as fast as he can to-night. The fight fans at Philadelphia are looking forward to a treat and the sale of seats has been big. Ketchell will be a ringside spectator.
