

WIFE AND HOME.

Let take extol a loving life, Of freedom, peace, and all that, Of merry hours and smiling wife, And decent bills, and all that;

VARIETIES.

A HAPPY LAND.—A writer from Florence says that in some respects Italy is the most delightful country in the world. It is a land, for example, where cleaning house, washing day, and all other such interesting epochs in the American calendar, are intolerated and unknown.

Blucher.—When old Blucher was in England he was invited to Oxford to have a doctor's degree conferred on him. The fierce dragoon was as much amused as delighted at the idea of the honour, and introducing another Prussian general who had been his right-hand man in all his campaigns, observed in broken English, to the Vice Chancellor, "Sir, if I am a doctor, this is my apothecary."

Owhyhee is the cone of a volcano higher than Mount Blanc. Four lbs. of beef loses 1 lb. by boiling, 1 lb. 5 oz. by roasting, and 1 lb. 3 oz. by baking.

Melted snow produces about one-eighth of its bulk of water; hence snow two feet deep produces three inches of water when thawed.

The coldest hour of the twenty-four is five in the morning, and the warmest is from two to three in the afternoon. The mean heat is from half past eight to half past nine.

"The following little gem we clip from Dombey: "She died," said Polly, "and was never seen again, for she was buried in the ground, where the trees grow."

MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING.

An experienced Nurse and Female Physician, presents to the attention of Mothers, her SOOTHING SYRUP, For the Nervous Affections, Convulsions, Fever, Irritation of the Bowels, &c. that attend this period of children, she recommends it as sure to produce the desired effect, giving Rest to the Mother, and Relief and Health to the Infant.

PROOF POSITIVE. Messrs. CURTIS & PERKINS.—Please send us a further supply of Soothing Syrup. We are selling large quantities of it, and from what we can learn, it is used with striking success, both by children and adults, in all cases of Dysentery or Diarrhea.

Dear Sir.—I am happy to be able to certify to the efficacy of Mrs. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not eat at night by his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy.

NEUROLOGY, or SCIATIC RHEUMATISM CURED. This may certify, that for about four years I was seriously afflicted with a disease in the hip, which Physicians termed Neurology, or Sciatic Rheumatism, and resorted to various remedies without any permanent relief.

COSTIVENESS. Habitual Costiveness, if not removed in time, is a source of more than half of the disorders and pains to which humanity is subject. The medicines too generally had recourse to, do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.
