KILLED IN ACTION
Pte. John Edward Quinn, a former member of the 132nd Battalion was killed in action on April 25, according to a despatch received a few days ago by his sister, Mrs. Frank C. Pournier of West Bathurst. Pte. Quinn was twenty five years of age and his parents reside at Salmon Lake, Quebec. He also leave three brothers and three sisters, among the latter is Mrs. J. F. Richardson, of South Nelson.

FRIENDLY MOOSE MEETS AN UNTIMELY END
Shortly before seven o'clock on Tuesday morning, a young bull moose was observed feeding in the public square, but as the spectators soon became very numerous the den of the forest became somewhat shy, and sauntering past the Miramichi Hotel, jumped into the river near the Ferry Slip and started for the opposite shore. Owing to the swift water he was somewhat fatigued on reaching the opposite shore and was unable to get over the boom at Maloney's mill, and was drowned.

FIRST LIGHTNING STORM DOES SOME DAMAGE
The first lightning storm of the season passed over Newcastle on Friday afternoon. Rain fell in torrents while the lightning was very vivid and the thunder heavy. The telephone wires on the King's Highway were struck and a large number of telephones put out of commission, while large pieces were torn from some poles near the residence of Charles Crammond, on the old road. A cow, belonging to Blackstock Matheson, which was in a pasture close by was struck by the lightning and instantly killed.

SMALL BOY HAS NARROW ESCAPE FROM DROWNING
While standing on the wharf in the rear of his home, on Saturday afternoon, watching the Str. "Dorothy N." as she pulled out, McBurnie Delano, the ten year old son of Mr. and Mrs. Charles Delano, lost his balance and fell into the water. Albert Dickinson was standing on the wharf at the time and climbing over the side of the wharf held out his foot which young Delano grasped and held on to, until the boat was backed up and with the assistance of Robert Cassidy and Ronald McLean he was taken from his perilous position. But for the prompt action of Messrs. Dickinson and Cassidy it is likely that he would have been drowned.

The many friends of Mrs. Geo. P. Vye of Chatham Head will be glad to learn that she has successfully underwent an operation in the Miramichi Hospital, and is much improved in health.

\$100 REWARD, \$100
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. HOW TENNYSON McDONALD WON THE MILITARY MEDAL
The Military Medal won by her husband on the battlefield has just been received by Mrs. Leo Myers of this town. The award was made for bravery under fire, and the deed done by the gallant Canadian demanded a combination of skill, pluck and a steady nerve, namely laying communication wires through a zone of high explosives. Upon this depended the effectiveness of the Canadian artillery. Bombardier Myers, accompanied by Bombardier Tennyson MacDonald, volunteered for the task, as they were both engaged in the Signalling section, a heavy saps battery that left St. John but a few months ago. Their task was performed successfully. Bomb Myers escaped without a scratch but MacDonald was badly broken up in the shell fire. He has been in the hospitals for months, and will walk lame from the effect of his injuries.—Oxford Journal.
(Bomb. McDonald belongs to Boies town, and was invalided home last week.)

Lantic Sugar
Has Nothing to Hide
Now that the Government has absolutely prohibited the use of any artificial coloring matter in sugar, we tell you again that we have—
—never used Beets
—never used Ultramarine Blue
—never used Aniline Dyes
—never used Vegetable Dyes
in refining any of our sugars. This means that every pound in the hands of your grocer is pure and uncolored. So—why take chances? Why not insist on having Lantic—the Sugars that have always been pure, and cost no more than any other?

May Appoint Their Own Investigator
Towns now Have That Power Re High Cost of Living—No Wheat for Neutrals

Ottawa, May 22—A further extension in the Cost of Living regulations has been made by Hon. T. W. Crothers, minister of Labor. These regulations provide that when municipalities have taken all the action that they were empowered to do, they should notify the minister of Labor and he would continue any new action considered advisable. To-day he notified parties concerned that henceforth when municipalities wished to conduct an investigation under oath they will be allowed to name the investigator and the minister of labor will clothe him with all the powers in this regard which he himself possesses. The minister states that he had come across incidents where municipal governments would have desired to make the appointment of an investigator, and he felt that if it would facilitate inquiry and bring results at the same time create confidence in the efficiency of the legislation by the public knowing personally the investigators, this extension of the powers should be made.

This new power given to the municipalities is regarded in legal circles as a radical move and extremely important. The government has decided to prohibit the exportation of wheat and wheat flour to other than British and allied countries.

Rummage Sale

(Under auspices of Newcastle Women's Institute, to raise funds to assist in carrying on the beneficent work of the Y. M. C. A. at the front.)

Firemen's Quarters, Town Hall ON FRIDAY, JUNE 8th

The committee in charge of the sale solicits contributions of any saleable article, including new or second-hand furniture, or wearing apparel.

While you are doing your spring house cleaning, why not go over your cast-off goods, select such articles as you do not need, that may be useful to some one else, and send them to the Rummage Sale. A committee of the Women's Institute will be at the Town Hall on the afternoons of Tuesday, Wednesday and Thursday, June 5, 6, 7, to receive contributions. Articles which can not be delivered by their donors will be called for if notice be sent to Mrs. G. G. Stohart, Mrs. A. E. Shaw or Mrs. John Robinson.

Cash contributions towards the fund which the Women's Institute is endeavoring to raise, are solicited from those who can not contribute saleable articles for the Rummage Sale.
