business manly to feel and cloth the poor of this district. The young lady Miss Nichole can certify that the mail service of the upper division of this district has been carried out as well as could be, considering the travelling. Some of those enemies of mine, I am told, are electioneering and have a man chosen to take charge of the mail underhanded. I am not engaged canvassing, neither will I. There is no need of it in this district. I shall expose some of these busy bodies in a future issue. I would challenge Newfoundland to find a man to put a spot on my character. The Road Board will do nothing in cleaning the snow in the parts of this District on the main line where travelling is almost impossible. I remain yours truly,
JAMES EVANS.

Local and other Items.

We must apologize to our many readers for not being able to publish the HERALD before this date, but as we were making arrangements for the publication of it as a semi-weekly journal we were not prepared for this. From next Tuesday forward this paper will be published every Tuesday & Friday. We have decided to call this Semi-Weekly visitor, "THE CARBONAR HERALD & RAILROAD JOURNAL" and will make every effort to keep its readers posted in all matters connected with the Railway and its progress. This paper will be sold in all parts of the island for 4c. per copy or \$3.00 per year. We hope ere long, with the assistance of our friends and correspondents, to be in a position to say this paper before its readers, tri-weekly at 2c. per copy. Advertising will be done on the cheapest possible terms. But for the misfortune with which we met last week, in getting our feet frost bitten, we would have commenced on Friday last, for which day the outside is dated.

The Benevolent Irish Society celebrated St. Patrick's Day by marching in procession order through the principal streets of the town and attending Divine Service, which was celebrated by the Rev. Dr. McGroggor. After which His Lordship ably delivered the panegyric of Ireland's Saint.

We regret to learn that the Hon. John Burke, is but very little improved in health and in all probability will not attend the Assembly this season. We wish the hon. gentleman a speedy recovery.

We have been requested by A. L. Blackman, Esq., to inform the people of this town that it is the intention of Railway Syndicate to commence operations with the opening of the season. Mr. Loomis will visit here about that time for the purpose of deciding which route will be the most practicable, and if possible to work the shore line.

The Catholic Benevolent Irish Society enrolled 130 new members at their last two meetings, and the sum of \$150.00 received at the table. The Society celebrated St. Patrick's Day by holding a special meeting in their Hall and enrolling a large number of members.

Au Tevoir.—Your article about the limey molasses will appear in our next issue.

Impartial.—Your letter is held over for want of space until our next week's issue.

The accidents of this area unavoidable but should a writer accidentally get hold of a dab pen, the remedy is easy. procure one of Ectorbrook's Steel Pens. The Stationers have them. Canada agency, Robert Miller, Son & Co., Montreal.
