Blair, Wilson and Thomas Colter were on hand all Thursday evening, There has been a fair attendence at the and received right royal welcome from their friends. Mr. Anderson lives too far market this week, and a fair amount of from the city to be able to be here to get his share of the congratulations. But they

It is pleasant to be able to record that hardly a harsh word was exchanged between the several workers in the city on election day. Every one worked for all he 10 to 12 cts per lb; chickens 45 to 55 cts per was worth, but all parted good friends at night. A great many people wanted to know why the friends of the government did \$5 a ton; oats 60 cts a bushel; buckwheat not celebrate their victory. That is not their way of doing things. Besides, if they

The opposition did not have the heart to pull their huge banner in, and it hung across Carleton street all Friday and Saturday like a canopy over the graveyard gate, and the names it bore were Gregory, Allen, Colter, Macfarlane. The amount of money expended by the opposition was enormous. A St. John There was rather too lively a time on man, who went up to Canterbury in their interests, freely stated that he took "a Queen street last Friday when a party of barrel full" with him. Two St. John men, who were at Harvey under the pretence

roated, and the would-be shingler concluded at Cambridge city, on Tuesday last. The shocking appearance. A respectable young indicate was about the amount of their campaign fund. to take a walk outside, where he could ruminate over the strange mutability of human affairs, and of shingle sawing in par-human affairs, and of shingle s

## Nature Has Provided

A remedy for every ache and pain, and science through ceaseless activity and experiment is constantly wresting the secrets of her domain. A new and wonderful discovery has recently been made by means of which tens of thousands will be freed from pain. Nerviline, or nerve pain cure, represents in very concentrated form the most potent pain relieving substitutes known to medical science, and strange to say, it is composed of substances solely vegetable in origin. Polson's Nerviline is the most prompt, certain, and pleasant pain remedy in the world. Try Nerviline for toothache neuralgia, cramps, &c., always safe and

THE ST. ANDREWS TURNIP.—The St. Andews turnip is getting there says an exchange, despite the heavy additional duty imposed by the new tariff bill. It is evident the Americans know when they have a good thing. Twenty-four acres have billed to the United States from St. Andrews.

ently sold in New York city in a single day. What a monument of magnificent bread this would make if properly reduced to flour and nade into snowy, sweet, palatables loaves with Imperial Cream Tartar Baking Powder.

## REASON WHY.

She was smart and she was pretty, and her elders thought her witty, and she tripped the light fantastic like a fay.

She could read both French and Latin, and was sweet in print or satin, and 'twould make your bosom heave to hear her But in single life she tarried, and she never, never married, and she'll doubtless be a maiden till she dies.

For she bade a proud defiance to the culinary science, and she never knew the
