Interests and feelings always prove to seek the present, and tangible There is hardly an adult person living rather than the distant and vague will but is sometimes, troubled with kidney so absorb one's time and attention, that difficulty, which is the most prolific and very dear ones far away will receive but dangerous cause of all disease. There is small share of even the thought they no sort of need to have any form of would were their daily lines made clear urinary trouble if Hop Bitters is taken Is Kram's Fluid Lightoning for Neuralgia one to the other by means of frequent occasionally. . letter-writing.

There is a power in letters for in-fluencing other minds, which overrate and most think only too lightly of. Words which from the manner in which they may be spoken can fall lightly on the ear of the listener, assume new meandry-goods store to the new clerk. 'I think not, ma'am. They're marked ings when clearly penned in black and white. The mother's advice reaching down almost to cost. her absent boy in a letter, carries with it an urgency which her spoken words may would wash 'Eh ?' replied the open-mouthed clerk. 'They don't look as though they would not always conv y. The brother, sister, the friend show themselves doubly in wash. their pen strokes.

Yet evil as well as good can leave its have to wash them.' impression upon the paper, and if the good seem intensitied by the written word, so too, will the evil obtain added out of the store so quickly. force by being penned. Once sent, the letter cannot be recalled, and after Mrs. J. McPhee, Appin, writes :- sale by J. Wilson. 5 During the last eight years I have used New Life for Functions Weakened by Dis epistles can hardly seem, to efface the effect of written words which had best almost every medicine recommended for Biliousness, but found nothing equal to never have been written. Greater care should be taken for this reason in the Carson's Bitters. If you suffer try it selection of language in letters than in Price 50 cents. speech, and there is a world-wide differ between a good letterand a bad one. Neither blot or erasure should be toler sted, except in the most intimate correspondence, and a misspelled word is an unpardonable sin. There is no excuse,

in these days of general education and universal dictionaries, for not knowing how to spell. Handwriting should be as regular and

legible as possible, entirely free from flourishes. But good and clear penman-ship comes by much practice. There is no royal road to it; nor yet is there any royal road to the composition of a any royal road to the composition of a · letter.

Just then the aged person and ded to awoke from his reverie, and adjusting his spectacles, quavered : "Why, bless me, if that isn't my grandson, Horatio ! and that must be his wife ! Don't color up One of the letters of inquiry which are before me asks : "How shall I write an enter "ining letter ?" You might as well so, boy; she's a right pretty girl, and you ask, "how shall I be an entertaining talkhave no cause to be ashamed of her. The good talker, or the good leter ? There was an audible smile in that vehiter writer, is, like the poet, born, not made. There are but few rules for comcle, which the happy pair did not stop tohear the last of. position which may be given and follow-ed: Never try to write a long letter-

never allow yourself, indeed, to write one unless you have so much to say that you canuot help it. A long-winded let-ter is only less unendurable than a prosy, long-winded talker, because you can skip the letter, and the talker won't let you skip him. Say what you have to say as briefly as it is convenient with say-ing it clearly, and avoid alike long words and long sentences. Say what you have you skip him. Say what you have to health. Freeman's worm routers were forth you will rejoice in the praise of say as briefly as it is convenient with say effectually rid the system of this trouble, ing it clearly, and avoid alike long words are pleasant to take and contain their bottle by J.
