

WITH THE FARMERS

POULTRY SHOW CLOSURES.

What is generally conceded to be the best poultry and pet stock show ever held in Western Canada is being closed today by the exhibitors showing the many excellent birds that carried off the prizes at this fifth annual exhibition of the Alberta Poultry and Pet Stock Show. The directors of the Association are well pleased with the exhibits which were of the highest order and held the record for quantity and quality. It was also gratifying to see the interest manifested in the show by the general public and it is safe to say that poultry breeding has received an impetus in Alberta that cannot fail to be productive of good results.

Poultryman's Annual Meeting.—The chief feature of yesterday's proceedings from a poultryman's standpoint was the annual meeting of the members of the Association. The annual report showed the organization to be on a sound basis and indicated that everything was in a very satisfactory condition. J. W. Foley, poultry expert of the province, after congratulating the Association on the success of their exhibition suggested that steps should be taken for the organization of a Provincial Poultry Show. The plan he outlined was that this provincial show should be held in conjunction with the Provincial Fat Stock Show. The Association, after listening to Mr. Foley and discussing the matter briefly, heartily endorsed this suggestion which has already been approved of by the Associations at Calgary and Lethbridge. Delegates will be appointed by the three Associations to meet the officers of the Fat Stock Show in the near future and confer with them regarding the matter.

After some further discussion the following officers were elected for the ensuing year:

Honorary President—Hon. W. T. Finlay, Weekly Star.

Patrons—His Honor Lieutenant-Governor Bulge, Hon. A. C. Rutherford, Premier.

President—James A. Stovel.

Vice-President—J. E. Lundy.

Secretary—Lester K. Knowles.

Assistant Secretary—Francis Taylor.

Directors—V. T. Richards, W. F. Cameron, Alf. Richards, John Knowles, G. W. Owen, H. J. Manson, John Thompson, R. Worsley, Thos. Daly, W. A. Fife, S. D. Mattison, and A. H. Karra.

During the afternoon the children from the various schools of the city visited the exhibition and gained much useful information regarding poultry. The members of the Association and the exhibitors to the number of about 30 assembled at the south of Mechanics Hall yesterday afternoon and were photographed by Ernest Brown, photographer.

THURSDAY'S GRAIN MARKETS.—Winnipeg, March 5.—Liverpool was not up half penny, but there was much change in continental cables. American markets were somewhat erratic and the range of fluctuation was fairly wide. Chicago advanced from 1/2 to 1/4 over Wednesday and closed 1/2 higher. Minneapolis was 1/4 higher and closed 1/2 higher. May and June unchanged. Winnipeg market was moderate with fair trade in low grade wheat, prices closing 1/4 to 1/2 higher.

Cash wheat showed much the same advance. There is considerable inquiry by millers and anything in the grade that is not taken for seed is picked up by mills.
