

The Evening Telegram.

IF it is only because they are so interesting—apart from the practical opportunities they offer—the small advertisements in the People's Paper, the EVENING TELEGRAM, are well worth studying.

WEATHER FORECAST.

TORONTO, Noon—S.E. and S.W. winds, increasing to gales; rain to-night and on Wednesday.

Used on Over 300 Buildings

I consider that SOLIGNUM is all you claim it to be. We have treated over three hundred wooden buildings and miles of fencing, and in every case our customers have been pleased. It is not only a good preservative, but a very good disinfectant, and on this account is especially suitable for wooden buildings occupied by animals. The colour also improves the appearance.
